WHAT IS JUNIOR SHARE BUILDERS PLAN?

It is a Share Builders Plan (SBP) that you can open jointly with your child aged below 18 to give him/her a head start in life.

By investing a fixed dollar amount regularly through SBP, you are gradually building up a portfolio for your child.

HOW TO PARTICIPATE?

Eligibility

A parent / the legal guardian of a child below the age of 18 (from newborn) may apply for a Joint Junior SBP

Application Procedure

To participate in Junior SBP with Phillip Securities Pte Ltd (PSPL), you can apply online through [POEMS 2.0](#). Alternatively, you can complete the account opening form, SBP application form and Inter-bank GIRO Application Form at any of the Phillip Investor Centres.

Required documents:

- i) Account Holders' NRIC for Singaporean/ Singapore PR or Employment/S-Pass and Passport for foreigner
- ii) Birth Certificate or proof of guardianship of the child

INVESTING IN SBP

Investment Amount(s)

You decide on the gross investment amount that you wish to commit for each month. The minimum amount of investment is S\$100 per month, subject to a minimum of S\$100 per counter.

You determine the SBP counters you wish to invest in and the investment amount per counter. For example, S\$200 to invest in DBS and S\$300 to invest in SIA every month, hence the total amount per month is S\$500.

Purchase of Shares

The aggregate monthly investments of all clients for any particular selected SBP counter will be done on the 18th* of every month ("Transaction Date") on a non-discriminatory and non-preferential basis. Your SBP will be credited with the nearest rounded-down whole number of the designated share counter that can be purchased with your fixed monthly investment less our handling fee. If the 18th of the month falls on a non-market day, buying of the counter will be done on the next available market day.

**PSPL reserves the right to buy shares on any other date where the need arises without notification to you*

Calculation & Deduction of Handling Fee

Your handling fee will be deducted on a monthly basis. Every month before the transaction date, your Total Portfolio Value ("TPV") will be calculated.

Here is an illustration of how your fees will be calculated:

TPV	0.3% p.a. × TPV ÷ 12 months	Fees Charged
S\$1,000	S\$0.25	S\$1.00
S\$10,000	S\$2.50	S\$2.50
S\$38,000	S\$9.50	S\$8.88
S\$40,000	S\$10.00	S\$5.88

For example, if your TPV is S\$1,000 and you have indicated \$300 as your investment amount for SIA, a handling fee of S\$1 (exclusive of GST) will be deducted. The actual investment amount for SIA will be S\$299 for that month.

To view your TPV using:

POEMS Website:

Login > Acct Mgmt > Regular Savings Plan (RSP) > Share Builders Plan (SBP) > Portfolio > Total Market Value

POEMS Mobile 3 App:

Login > Trade > RSP > Share Builders Plan > Holdings > Total Market Value

Excess Funds Aggregation

If there are excess funds in your SBP, these funds will be added to your current month's investment amount for purchasing of your preferred counter. The excess funds may arise from, but are not limited to, un-invested balances brought forward from previous month(s), as well as corporate actions such as dividends, cash offers, bonus and/or rights issues.

For example, if the un-invested amount in the previous month was S\$8.70, the resultant investment amount for SIA this month will be S\$308.70.

By reinvesting the excess funds, you are eventually purchasing more shares. However, if you would like to withdraw any excess funds from your SBP, you may do so by informing your Trading Representative at least 3 business days prior to the Transaction Date.

Insufficient Funds

Purchase of the selected SBP share counters will only be executed when funds from clients are received **at least 5 business days before the Transaction Date** of each month. PSPL reserves the right to cancel the transaction in the event that funds are not received for the month. An "insufficient funds" charge of S\$5 (exclusive of GST) will be imposed.

Priority of Balance

Monthly investment will take effect only if there are sufficient funds in your bank account to execute your SBP investment instructions. **No partial** investment will be made in the event of insufficient funds.

Amendments

The investment amount and SBP counter(s) to be invested may be changed by submitting an amendment request online via POEMS or by filling in the SBP Amendment Instruction Form. However, amendments for the month will take effect only if the instructions are completed and received by PSPL no later than 6 business days before the Transaction Date. Otherwise, the

amendment will be effective from the next investment month.

Selling of SBP Shares

The shares purchased through the Junior SBP may only be sold through the adult's trading account. The adult (main account holder) is required to have a trading account prior to the sale of the shares.

The sale of shares may be executed through POEMS online or your Trading Representative. If you are selling the shares online, it is important for you to notify your Trading Representative that you are selling from your Junior SBP shareholdings after the order is done in the trading account. The sales proceeds are made payable strictly to the joint names of the Adult and the child via cheque mail to the mailing address in our records.

Payment

Inter-bank GIRO is used for fixed monthly transfer of funds from your bank account to PSPL for the purpose of investment. Clients have to ensure that sufficient funds are available at least 6 business days before the Transaction Date (18th of every month) of each month. Pending your bank's approval of your GIRO application, you may choose to submit an online withdrawal via your POEMS trading account to your SBP account for the first month of investment. This is available for all account types except for Cash trading account.

OTHERS

- 1) The main account holder of this Junior SBP shall have full authority to operate the account.
- 2) Share transfer from the Junior SBP to the CDP Account of the main account holder is **NOT** allowed.
- 3) If the main account holder is declared bankrupt, the Junior SBP will be suspended. The assets in the SBP will be split to 50:50 payable to the Official Assignee. The remaining 50% ownership will be held by Phillip Securities Pte Ltd in custody until the minor joint account holder attains the age of 18.

- 4) **WHEN THE MINOR JOINT ACCOUNT HOLDER ATTAINS THE AGE OF 18**, both account holders are required to notify Phillip Securities Pte Ltd and update their personal particulars with the supporting documents.

The main account holder has to decide whether to continue the plan as a joint account, subscribe a regular Share Builders Plan under the child's name and transfer the holdings to the account or terminate the SBP.

If the main account holder decides to terminate the SBP, he/she has to sell all the shares in the Junior SBP through his/her trading account.

If the main account holder does not have a trading account with Phillip Securities Pte Ltd, he/she has to apply for one before proceeding to terminate the SBP. The sales proceeds are made payable strictly to the joint names of the adult and the child via cheque mail to the mailing address in our record.

Corporate Actions

Corporate action entitlements such as bonus, rights issue, dividends*, proceeds from cash offers etc will be credited into SBP. The cash distributions will form part of the excess funds and will be reinvested into your preferred counter subsequently.

*SBP does not support Scrip Dividend Scheme (SDS). In the event of SDS, your corporate action entitlements net of processing fees will be credited into your SBP in cash.

As part of the product features, PSPL will arrange for the Rights Shares (the "Rights") to be sold as "nil-paid" rights on the SGX-ST during the trading period. The net proceeds allocated after the deduction of S\$5 (exclusive of GST) handling fee, if any, will be credited into your SBP to form part of the excess funds and will be reinvested into your preferred counter. Brokerage for this liquidation will be waived.

***Handling Fees (NEW!)**

0.3% per annum of Total Portfolio Value ("TPV") Min. S\$1 per month	
TPV < S\$40,000	Capped at S\$8.88 per month
TPV ≥ S\$40,000	Capped at S\$5.88 per month

As we understand many companies have raised fees on their products and services over the years amidst rising costs and high interest rates, we have decided on a new fee structure designed to reduce your SBP fees, providing relief to inflationary burdens.

***Other Fees and Charges**

**Dividend Charges	1% Min S\$1 capped at S\$50
Other Corporate Actions (Except Rights Issue)	S\$10
Share Transfer Charges	S\$20 per Counter per Transfer charged by CDP and PSPL
Failed GIRO Collection Charge	S\$5
Hard Copy Statement (if Opt-Out of e-Statement)	S\$2

** All fees are subject to GST.*

Note:

****Dividend charges will be equivalent to dividend amount, if the dividend amount is less than S\$1.**

Monthly Statement

A monthly administrative fee of S\$2 (exclusive of GST) will be levied for each hardcopy statement that we send to you. You may opt for E-statement where no monthly administrative fee levied
