This publication is for information only. It is not a recommendation, offer or solicitation for the purchase or sale of any securities or investments and does not have regard to your specific investment objectives, financial situation, tax position or needs. You should read the prospectus and Product Highlights Sheet which is available and may be obtained from Lion Global Investors Limited ("LGI") or any of the appointed Participating Dealers ("PDs"), consider if the Lion-Phillip S-REIT ETF ("ETF") is suitable for you and seek advice from a financial adviser if necessary, before deciding whether to invest in the ETF. The performance of the ETF is not guaranteed and the value of the units in the ETF ("Units") and any income accruing to them may rise or fall. Past performance, as well as any projections or forecasts are not necessarily indicative of the future or likely performance of the ETF. Dividend distributions, which may be either out of income and/or capital, are not guaranteed, and may result in an immediate decrease in the net asset value of the ETF. Any information provided is subject to change or correction at any time without notice and is not to be relied on as advice. You should conduct your own independent assessment of the relevance, accuracy, adequacy and reliability of such information. The ETF may, where permitted by the prospectus, invest in financial derivative instruments for hedging or efficient portfolio management. The managers of the ETF, their related companies, directors and/or employees may hold Units and may be engaged in purchasing or selling Units for themselves or their clients. The Units are listed and traded on the Singapore Stock Exchange ("SGX"), and may be traded at prices different from their net asset value, suspended from trading or delisted. Such listing does not guarantee a liquid market for the Units. You cannot purchase or redeem the Units directly with the managers of the ETF, but you may, subject to specific conditions, do so on the SGX or through the PDs.

Morningstar® Singapore REIT Yield Focus Index<sup>SM</sup> is a service mark of Morningstar Research Pte. # LION-PHILLIP S-REIT ETF

Set your sights on a sustainable income stream with high-quality S-REITs

Introducing a low-cost way to access 23<sup>1</sup> high-quality S-REITs through one fund

## The Compelling Singapore REITs Story

Singapore is one of the most conducive environments in the world for developing Real Estate Investment Trusts (REITs). Given its economic stability, government's support for REITs to promote the island-state as a regional financial hub and a robust investment regulatory framework, Singapore REITs are widely perceived as a high-quality asset class that offers investors diversification benefits and a sustainable income stream.

## Why invest in the Lion-Phillip S-REIT ETF

### Low-cost Easy Access to High-quality S-REITs

Invest in a portfolio of high-quality S-REITs at a low cost through the SGX.

### 23<sup>1</sup> High-quality S-REITs in a Fund

S-REITs of superior quality and financial health screened by Morningstar.

### Sustainable Income Stream and Potential Capital Growth

Receive regular income and ride on the potential capital growth of S-REITs.

### Diversification of Portfolio Risk

S-REITs invest in an array of real estate assets, which brings diversification benefits.

<sup>1</sup> As at 31 August 2017. S-REITs are securities constituting the Morningstar® Singapore REIT Yield Focus Index<sup>SM</sup>. The number of S-REITs that constitutes the Index may be changed by Morningstar Research Pte Ltd from time to time.

## The Easiest Way to Own a Basket of S-REITs

The **Lion-Phillip S-REIT ETF (LPSR-ETF)** offers a sustainable income stream and portfolio diversification through exposure to the high-quality S-REITs at a low cost.

Jointly launched by Lion Global Investors Limited and Phillip Capital Management (S) Ltd, the fund is the first exchange-traded fund in Singapore that focuses on S-REITs. The LPSR-ETF closely tracks the Morningstar® Singapore REIT Yield Focus Index<sup>SM</sup>, which is designed to screen for high-yielding REITs with superior quality and financial health, using a 3-factor proprietary methodology.
