A copy of this Prospectus has been lodged with and registered by the Monetary Authority of Singapore (the “**Authority**”). 1. LION-PHILLIP S-REIT ETF

The Fund is a Singapore standalone unit trust constituted under Singapore law and established by way of a deed of trust dated 28 September 2017 (the “**Trust Deed**”). The parties to the Trust Deed are us and HSBC Institutional Trust Services (Singapore) Limited, as the trustee (the “**Trustee**”). A copy of the Trust Deed is available for inspection at our registered office at 65 Chulia Street, #18-01 OCBC Centre, Singapore 049513. You should note that the Fund differs from a typical unit trust offered in Singapore. The Units of the Fund are listed on the SGX-ST and trade like any other equity security listed on the SGX-ST. Only Participating Dealers may purchase or redeem Units directly from the Fund at the Net Asset Value. You may purchase and sell Units in the Fund on the SGX-ST or through a Participating Dealer, subject to such terms and conditions as may be imposed by the Participating Dealer.

2. REGISTRATION AND EXPIRY DATE

The date of registration of this Prospectus by the Authority is 28 September 2017. This Prospectus shall be valid for a period of 12 months after the date of registration (i.e., up to and including 27 September 2018) and shall expire on 28 September 2018.

3. INVESTMENT OBJECTIVE

The investment objective of the Fund is to replicate as closely as possible, before expenses, the performance of the Morningstar® Singapore REIT Yield Focus IndexSM using a direct investment policy of investing in all, or substantially all, of the underlying Index Securities.

The Index is compiled and calculated by Morningstar Research Pte. Ltd. and is designed to screen for high-yielding REITs with superior quality and financial health.

4. INVESTMENT POLICY OF THE FUND

4.1 Investment Approach

We employ a “passive management” or indexing investment approach designed to track the performance of the Index.

We will seek to achieve the Fund’s investment objective by investing all or substantially all of the Fund’s assets in Index Securities in substantially the same weightings as reflected in the Index. Index Security weighting is capped at 10% and liquidity based adjustments are made to the weights.

However, various circumstances may make it impossible or impracticable to purchase each Index Security in such weightings. In those circumstances, we may employ, alone or in combination with, other investment techniques in seeking to closely track the performance of the Index.

We may be unable to purchase each Index Security in the same proportion as the weightings in the Index if the SGX-ST is closed or temporarily inaccessible. Such circumstances may make it impossible for us to purchase or sell Index Securities to track the Index accordingly. This however should not occur in orderly market conditions as the Index Securities are themselves liquid and the Index itself has certain minimum liquidity criteria for the Index Securities.

If such circumstances were to arise, we may use the Representative Sampling Strategy (as described below), by choosing alternative Securities or REITs as the relevant Index Security which has a high level of correlation or a similar valuation or market capitalisation.

We will rebalance the Fund’s portfolio of investments from time to time to reflect any changes to the composition of, or weighting of, Index Securities to minimise tracking error of the Fund’s overall returns relative to the performance of the Index.

As at the date of this Prospectus, we do not intend to invest the Fund’s assets in options, warrants, futures contracts, commodities, unlisted securities and precious metals. If we use financial derivative instruments to employ any currency hedging techniques to manage the impact of exchange rate fluctuations and/or for the purpose of efficient portfolio management, we will adopt a passive hedging strategy (i.e. hedging of foreign currency exposure will mirror the Index).

As at the date of this Prospectus, the Fund is classified as an EIP.

For so long as the Units are EIPs, the Fund does not and will not invest in any product or engage in any transaction which may cause the Units not to be regarded as EIPs.

4.2 Investment Strategy

In managing the Fund, we currently adopt a direct Replication Strategy but may also adopt a Representative Sampling Strategy. We may swap between the two strategies, without prior notice to you, in our absolute discretion as often as we believe appropriate in order to achieve the investment objective of the Fund.

As the Fund is an index-tracking fund which tracks the performance of the Index and holds the Index Securities, it is expected that the only asset class which the Fund will invest in is REITs.

4.3 Replication Strategy

Using a Replication Strategy, the Fund will invest in substantially all the Index Securities in substantially the same weightings (i.e. proportions) as the Index and the Application Basket may comprise odd lots of the Index Securities. For purposes of tracking the Index closely, we may, from time to time, adjust the number of odd lots of Index Securities in each Application Basket.

However, if we believe that a Replication Strategy is not the most efficient means to track the Index, we may decide to adopt a Representative Sampling Strategy instead.

4.4 Representative Sampling Strategy

Using a Representative Sampling Strategy, the Fund will hold a representative sample of a portfolio of Securities selected by us using quantitative analytical models in a technique known as "portfolio sampling". Where a Representative Sampling Strategy is employed, Securities that are not constituents of the Index may be held by the Fund. Such Securities will be expected to have a high level of correlation or a similar valuation or market capitalisation as the relevant Index Securities.

We will seek to construct the portfolio of the Fund so that, in the aggregate, its capitalisation, industry and fundamental investment characteristics perform like those of the Index. The Index will be reviewed and rebalanced semi-annually after the close of business on the Rebalancing Reference Dates. The low frequency of rebalancing should result in a lesser turnover of Index Securities and hence lower overall Fund expenses.

There will be no change to the investment objective and/or investment policy of the Fund during the 3-year period commencing from the date of this Prospectus, unless (i) any such change is approved by an Extraordinary Resolution of Unitholders in a general meeting or (ii) such prohibition on changes to the investment objective and/or investment policy of the Fund is waived by the SGX-ST. Where there is any change to the investment strategy adopted for the Fund, such changes will be announced by us through SGXNET. A list of the holdings of the Fund will be published in the monthly fund factsheet which is available on our website at www.lionglobalinvestors.com.

5. THE INDEX

The Index is compiled and calculated by Morningstar Research Pte. Ltd. and aims to track the performance of Singapore REITs listed on the SGX-ST using a broad-based quality income strategy with the following proprietary factors:-

- (a) Quality;
- (b) Financial health; and
- (c) Dividend yield.

The Index tracks the performance of all Singapore REIT securities with a weighting emphasis on quality and financial health.

The maximum weighting of any Index Security is 10% at each Rebalancing Reference Date.

Please refer to Appendix II of this Prospectus for general information on the Index. The description of the Index methodology is available at <http://corporate.morningstar.com/US/asp/detail.aspx?xmlfile=8387.xml> and the latest information relating to the Index is available at <http://corporate.morningstar.com/US/asp/subject.aspx?xmlfile=11.xml>.

6. INVESTMENT RESTRICTIONS AND BORROWING POLICY OF THE FUND

The Fund is subject to the investment guidelines, restrictions and borrowing limits set out in the Code, which guidelines, restrictions and limits may be amended from time to time by the Authority. For so long

as the Units are EIPs, the Fund will not invest in any product or engage in any transaction which may cause the Units not to be regarded as EIPs (unless otherwise permitted by the Authority).

Subject to the borrowing restrictions in the Code and the Trust Deed, the Trustee may at any time at our request concur with us in making and varying arrangements for the borrowing (including entering into overdraft facilities) by the Trustee for the account of the Fund of any currency for the following purposes:-

- (a) facilitating the creation or redemption of Units or defraying operating expenses;
- (b) enabling us to acquire Securities for the account of the Fund; or
- (c) for any other proper purpose as may be agreed by us and the Trustee from time to time.

The Fund may borrow, on a temporary basis, for the purposes of meeting redemptions and bridging requirements. Aggregate borrowings for such purposes should not exceed 10% of the Fund's Net Asset Value at the time the borrowing is incurred and the borrowing period should not exceed one month.

We may from time to time formulate such other investment and borrowing restrictions to apply to the Fund as we may in our sole discretion think fit, subject to the investment guidelines, restrictions and borrowing limits set out in the Code.

We may engage in securities lending or repurchase transactions for the Fund, where such securities lending or repurchase transactions are carried out solely for the purpose of efficient portfolio management and do not amount to more than 50% of the Net Asset Value of the Fund, and is in line with the Notice on the Sale of Investment Products issued by the Authority (as may be amended from time to time).

7. RISK FACTORS

The Fund is subject to the following principal risks. Some or all of the following risks may adversely affect the Fund's Net Asset Value, yield, total return and/or its ability to achieve its investment objective. You should note the following risk factors associated with investing in the Fund. The following statements are intended to be summaries of some of those risks. They are by no means exhaustive and they do not offer advice on the suitability of investing in the Fund. You should carefully consider the risk factors described below together with all of the other information included in this Prospectus before deciding whether to invest in Units of the Fund.

7.1 Market Risk

The Net Asset Value of the Units will fluctuate with changes in the market value of the Securities held by the Fund. The price of Units and the income from them may go down as well as up. You may not get back your original investment. Whilst we currently intend to pay out semi-annual distributions from the Fund, there is no guarantee that we will make such distributions to investors. Investment in the Fund involves risks similar to those inherent in investing in REITs traded on an exchange, such as market fluctuations caused by factors like economic and political developments, changes in interest rates and foreign exchange. A significant decline in the value of the Index can therefore be expected to result in a similar decline in the Net Asset Value of the Units.

7.2 Derivatives Risk

Subject to the provisions of Annex 1 of the Notice on the Sale of Investment Products (for so long as Units of the Fund are EIPs) and the Code, the Fund may from time to time invest in derivatives, which are financial contracts whose value depends on, or is derived from, the value of an underlying asset, reference rate or index. Such assets, rates and indices may include bonds, shares, interest rates, currency exchange rates, bond indices and stock indices.

While the judicious use of derivatives by professional investment managers can be beneficial, derivatives involve risks different from, and, in some cases, greater than, the risks presented by more traditional securities investments. Some of the risks associated with derivatives are market risk, management risk, credit risk, liquidity risk and leverage risk.

We do not intend to use derivatives transactions for optimising returns but may use them for efficient portfolio management and/or hedging the existing foreign currency exposure of the Fund.

Derivative instruments are highly volatile instruments and their market values may be subject to wide fluctuations and expose the Fund to potential gains and losses. Where such instruments are used, we will ensure that the risk management and compliance procedures and controls adopted are adequate and have been or will be implemented and that we have the necessary expertise to manage the risks relating to the use of these financial derivative instruments.

The global exposure of the Fund to financial derivatives or embedded financial derivatives will not exceed 100% of the net asset value of the Fund. We may modify the risk management and compliance procedures and controls at any time as we deem fit and in the interests of the Fund.

We currently use the commitment approach as described in Appendix 1 of the Code to determine the Fund's exposure to financial derivatives.

7.3 Risk of Investing in REITs

Some REITs may have limited diversification and may be subject to risks inherent in financing a limited number of properties.

Investments in REITs and other issuers that invest, deal or otherwise engage in transactions in or hold real estate or interests therein are subject to risks similar to investing directly in real estate. For example, real estate values may fluctuate as a result of general and local economic conditions, overbuilding and increased competition, increases in property taxes and operating expenses, changes in zoning laws, casualty or condemnation losses, regulatory limitations on rents, changes in neighbourhood values, changes in how appealing properties are to tenants, increases in interest rates and unexpected interruptions such as natural disasters, terrorist attacks or other unforeseeable events.

7.4 Borrowing

REITs may also be subject to financial covenants and/or borrowing/gearing ratios and their ability to comply with such ratios could be adversely affected if the REITs are unable to obtain funds from investors or loans or re-finance existing debt. If the REITs are unable to comply with the gearing ratios, the REITs may become more susceptible to interest rate movements and re-financing risks. If the REITs continue to remain as part of the Index despite non-compliance with the gearing ratios, this may cause an investment in the Fund to be subject to a higher level of risk as the objective of the Fund is to closely track the performance of the Index.

7.5 The Fund is Not Actively Managed

The Fund invests in the Index Securities included in the Index and is not actively managed. We do not attempt to select REITs or stocks individually in order to outperform the market or to take defensive positions in declining markets.

7.6 Tracking Error Risk

Factors such as the fees and expenses of the Fund, imperfect correlation between the Fund's assets and the Index Securities constituting the Index, rounding of REIT prices, changes to the Index and regulatory policies may affect our ability to achieve close correlation with the performance of the Index. The Fund's returns may therefore deviate from the Index and there is no assurance that the Fund will be able to fully track the performance of the Index. A Replication Strategy is adopted to minimise tracking error, by investing the Fund's assets in substantially the same weightings as the Index. Re-investing the cash dividends received for the REIT holdings of the Fund is also done to keep the Fund's cash holdings to a low level that is operationally optimal while minimising tracking error. The Fund may invest in REITs which are not constituents of the Index by using the Representative Sampling Strategy. We will endeavour to manage the tracking error if the Representative Sampling Strategy is used.

7.7 Concentration

The Index Securities comprise of Singapore REITs listed on the SGX-ST and may be less diversified compared to a fund investing in REITs globally. To the extent that a property sector or a geographical region in which the Index Securities are concentrated in falls out of favour, the Fund's performance may be negatively affected. Please refer to Appendix I for more information on the constituent REITs and their weighting in the Index.

7.8 Foreign Market Exposure Risk

Although the Index is comprised of Singapore REITs listed on the SGX-ST, some of these REITs hold or invest into properties or real estate in other jurisdictions, including but not limited to emerging markets like China, Indonesia and Malaysia. The performance of such REITs is dependent on and affected by economic and political developments, changes in interest rates and perceived trends in stock (including REIT) prices in these markets. Any adverse developments in these foreign markets may impact the performance of such REITs and adversely impact the Fund's performance.

7.9 Foreign Exchange Risk

As the Singapore REITs invested into may be denominated in currencies other than Singapore dollars, any

fluctuation in the exchange rate of such currencies against the base currency of the Fund (i.e. Singapore dollars) may have an impact on the income of the Fund and affect the value of the Units. If we intend to hedge such foreign currency exposure, we will adopt a passive hedging strategy (i.e. hedging of foreign currency exposure will mirror the Index).

7.10 Trading Risk

The Fund is structured as an index fund and the Net Asset Value of Units of an index fund will fluctuate with changes in the market value of the index fund's holdings of Securities. The market prices of Units will fluctuate in accordance with changes in Net Asset Value and supply and demand on any exchange on which the Units are listed. We cannot predict whether the Units will trade below, at or above their Net Asset Value. Price differences may be due, in large part, to the fact that supply and demand forces in the secondary trading market for the Units will be closely related, but not identical, to the same forces influencing the prices of the Securities trading individually or in the aggregate at any point in time. Given that the Units must be created and redeemed in an Application Unit size (unlike shares of many closed-end funds, which frequently trade at appreciable discounts from, and sometimes at premiums to, their Net Asset Value), we believe that ordinarily large discounts or premiums to the Net Asset Value of Units should not be sustained. If we suspend creations and/or redemptions of Units of the Fund, we expect larger discounts or premiums.

7.11 Absence of Prior Active Market

Although application has been made for the Units to be listed for trading on the SGX-ST, there can be no assurance that an active trading market will be developed or be maintained. There is no certain basis for predicting the actual price levels at, or sizes in, which the Units may trade. Further, there can be no assurance that you will experience trading or pricing patterns similar to those of market-traded REITs or other REIT funds or ETFs which are based upon indices other than the Index.

7.12 Creation and Redemption through Participating Dealers

You may not create or redeem Units directly with us and can only create or redeem Units through Participating Dealers if you are a client of the relevant Participating Dealer. The Participating Dealers are under no obligation to agree to do so on your behalf and may impose terms and conditions in connection with such creation or redemption orders from you. Each Participating Dealer may, in its absolute discretion, refuse to accept a creation order from you and can charge such fees as it may determine. The willingness of a Participating Dealer to redeem Units may depend upon, but is not limited to, that Participating Dealer's ability to sell the relevant Index Securities as well as any agreement which may be reached between you and the Participating Dealer. The Participating Dealer will not be able to create or redeem Units during any period when, amongst other things, dealings on the SGX-ST are restricted or suspended, settlement or clearing of securities through the CDP is disrupted or the Index is not compiled or published. In addition, the Participating Dealer will not be able to create or redeem Units if some other event occurs which impedes the calculation of the Net Asset Value of the Fund or disposal of the Fund's Securities cannot be effected.

7.13 Risk Inherent in Index Securities

The Index Securities are comprised of REITs, the prices of which may fluctuate in response to, amongst other factors, changes in interest rates, foreign exchange, economic and political conditions and the financial condition of issuers of the REITs. In particular, the Fund's value is dependent on the performance of such REITs and the overall performance of the property market or sector to which such REITs are exposed or invested or hold real estate assets.

7.14 Lack of Discretion by Manager to Adapt to Market Changes

The Index Securities held by the Fund will passively reflect the distribution of REITs which are included in the Index. Therefore, adverse changes in the financial condition or performance of any REIT included in the Index will not result in the sale of the REIT by the Fund, and will be likely to adversely affect the Fund's Net Asset Value and the trading price of the Units. We will have limited discretion to remove the REIT from the Fund insofar as such REIT remains an Index Security.

7.15 Units may Trade at Prices Other Than at Net Asset Value

The Net Asset Value of the Fund represents the fair price for buying or selling Units. As with any listed fund, the secondary market price of Units may sometimes trade above or below this Net Asset Value. There is a risk, therefore, that Unitholders may not be able to buy or sell at a price close to this Net Asset Value. The deviation from Net Asset Value is dependent on a number of factors, but will be accentuated when there is a large imbalance between market supply and demand for Units on the SGX-ST. However, given that the Units can be created and redeemed in an Application Unit size by Participating Dealers, as applicable, it is not anticipated that large discounts or premiums will be sustained.

7.16 Trading in Units on the SGX-ST may be Suspended or Delisted

You will not be able to purchase or sell Units on the SGX-ST during any period when the SGX-ST suspends trading in the Units. The SGX-ST may suspend the trading of Units whenever, amongst other factors, the SGX-ST determines that it is appropriate in the interests of a fair and orderly market to protect investors. The creation and redemption of Units will also be suspended if the trading of Units on the SGX-ST is suspended. The SGX-ST imposes certain requirements for the continued listing of securities, including the Units, on the SGX-ST. We cannot assure you that the Fund will continue to meet the requirements necessary to maintain the listing of Units on the SGX-ST or that the SGX-ST will not change the listing requirements. The Fund may be terminated if Units are delisted from the SGX-ST or if the CDP is no longer able to act as the depository for the Units listed on the SGX-ST. Dealings of Units on the SGX-ST may not necessarily be suspended if the creation and redemption of Units is temporarily suspended by us in accordance with the terms of the Trust Deed. If the creation and redemption of Units is temporarily suspended, the trading price of the Units may be adversely affected and differ from the Net Asset Value of the Fund.

7.17 Fund is Not a Typical Unit Trust

You should note that the Fund is not like a typical unit trust offered to the public in Singapore. Units may only be created and redeemed in an Application Unit size by Participating Dealers and Units may not be subscribed for, or redeemed, directly by you. For so long as the Units are listed for quotation on the SGX-ST, you shall have no right to request us to redeem or purchase your Units. Participating Dealers will not be able to create or redeem Units during any period when, amongst other things, dealings on the SGX-ST are restricted or suspended, settlement or clearing of securities in CDP is disrupted or the Index is not compiled or published. You may generally only realise the value of your Units by selling your Units on the SGX-ST. These features are not usually present in a typical unit trust offered to retail investors in Singapore, where units can generally be purchased and redeemed directly with a manager or its approved distributors.

7.18 Minimum Creation and Redemption Size

Units will be issued or redeemed in an Application Unit size of 50,000 Units or such higher number of Units in multiples of 1,000 Units. If you do not hold an Application Unit size, you may only realise the value of your Units by selling your Units on the SGX-ST.

7.19 Risks Related to Borrowings by the Fund

We may pledge the assets of the Fund if the lender requires security to be provided in connection with any borrowings by us for the account of the Fund. If the Fund is unable to repay the principal or interest on such borrowing, the pledged assets may be disposed of by the lender. If the price received by the lender is insufficient to satisfy the outstanding due to the lender in full, the Fund may have to dispose of its investments to raise cash for payment of the shortfall to the lender. There may be an adverse effect on the Net Asset Value of the Fund if such disposal is effected during any period when general market conditions are unfavourable.

8. RISK FACTORS RELATING TO THE INDEX

8.1 Errors or Inaccuracies in the Index

There may be inaccuracies, errors, omissions or mistakes in the compilation or calculation of the Index, which may result in significant deviations between the Net Asset Value of the Units and the Index. We and the Trustee are not responsible or involved in the compilation or calculation of the Index, and thus cannot be held responsible or liable for any inaccuracies, errors, omissions or mistakes in such compilation or calculation. The computation of the Index may be inaccurate or incomplete if, amongst other factors, the information received by the Index Provider from the SGX-ST is inaccurate or incomplete. Examples of types of errors which may occur include:-

- (i) the closing price of an Index Security on a given day being incorrect;
- (ii) a missed corporate event;
- (iii) a missed Index methodology event (deviation from what is stated in the methodology document for the Index); or
- (iv) a late announcement in respect of an Index Security.

8.2 Index is Subject to Fluctuations

The performance of the Units should correspond closely with the performance of the Index. The Index may experience periods of volatility in the future. If the Index experiences volatility or declines, the price of the Units will vary or decline accordingly.

8.3 Composition of and Weightings in the Index may Change

The Securities which comprise the Index are changed by the Index Provider from time to time. The price of the Units may rise or fall as a result of such changes. The composition of the Index may also change if one of the constituent REITs were to delist its securities or if a new REIT were to list its securities and be added to the Index. If this happens, the weighting or composition of the Index Securities invested by the Fund would be changed as considered appropriate by us in order to achieve the investment objective. Thus, an investment in Units will generally reflect the Index as its constituents change from time to time, and not necessarily the way it is comprised at the time of an investment in the Units.

The Fund's investments will be monitored by us on a daily basis, and we will track any change of composition and weightings of the Index as and when it occurs. Appendix II – The Morningstar® Singapore REIT Yield Focus IndexSM describes how the Index is compiled.

8.4 Licence to Use the Index may be Terminated

We have been granted a licence by the Index Provider to use the Index in connection with the operation, marketing and promotion of the Fund. The Fund may be terminated if the Index licence agreement is terminated and we are unable to identify or agree with the Index Provider or any other index provider terms for the use of a suitable replacement index that gives, in our opinion, the same or substantially similar REIT exposure as the Index. If the Index is no longer available for use by the Fund, we will source for a suitable replacement index that gives, in our opinion, the same or substantially similar REIT exposure as the Index. Any such replacement index will be notified to Unitholders via SGXNET. Accordingly, you should note that the ability of the Fund to track the Index depends on the continuation in force of the Index licence agreement in respect of the Index or a suitable replacement.

If the licence for the use of the Index is terminated for any reason, we will notify Unitholders of such termination via an announcement on SGXNET.

8.5 Compilation of the Index

No warranty, representation or guarantee is given as to the accuracy or completeness of the Index and its computation or any information relating to the Index. The process and the basis of computing and compiling the Index and any of its related formulae, constituent REITs and factors may at any time be changed or altered by the Index Provider without notice.

11. BROKERAGE TRANSACTIONS

Our policy regarding purchases and sales of Index Securities is that primary consideration will be given to obtaining the most favourable prices and best execution of transactions in accordance with the requirements of the Code. Consistent with this policy, when Securities transactions are effected on a stock exchange, our policy is to pay commissions which are considered fair and reasonable without necessarily determining that the lowest possible commissions are paid in all circumstances.

We believe that a requirement always to seek the lowest possible commission cost may impede effective portfolio management and preclude the Fund and us from obtaining a high quality of brokerage and research services. In seeking to determine the reasonableness of brokerage commissions paid in any transaction, we rely on our experience and knowledge regarding commissions generally charged by various brokers and on our judgement in evaluating the brokerage and research services received from the broker effecting the transaction. Such determinations are necessarily subjective and imprecise and, as in most cases, an exact dollar value for those services is not ascertainable.

In seeking to implement the above policies, we effect transactions with those brokers and dealers that we believe provide the most favourable prices and are capable of providing best execution of transactions in accordance with the requirements of the Code. If we believe such price and execution are obtainable from more than one broker or dealer, we may give consideration to placing portfolio transactions with those brokers and dealers who also furnish research and other services to the Fund or us. Such services may include, but are not limited to, information as to the availability of Index Securities for purchase or sale, statistical information pertaining to corporate actions affecting REITs, including, but not limited to, REITs within the Index.

We and the Sub-Manager, our respective directors and our/their associates are not entitled to receive any part of any brokerage charged to the Fund, or any part of any fees, allowances and benefits (other than soft dollar commissions or arrangements mentioned below) received on purchases or sales charged to the Fund.

12. SOFT DOLLAR COMMISSIONS OR ARRANGEMENTS

We and the Sub-Manager shall be entitled to and intend to receive or enter into soft-dollar commissions/arrangements in respect of the Fund. We and the Sub-Manager will comply with applicable regulatory and industry standards on soft-dollars. The soft-dollar commissions/arrangements which we and the Sub-Manager may receive or enter into include specific advice as to the advisability of dealing in or as to the value of any investments, research and advisory services, economic and political analyses, portfolio analyses including valuation and performance measurements, market analyses, data and quotation services, computer hardware and software or any other information facilities to the extent that they are used to support the investment decision making process, the giving of advice, or the conduct of research or analysis, and custodial service in relation to the investments managed for our and the Sub-Manager's clients.

Soft-dollar commissions received shall not include travel, accommodation, entertainment, general administrative goods and services, general office equipment or premises, membership fees, employees' salaries or direct money payment.

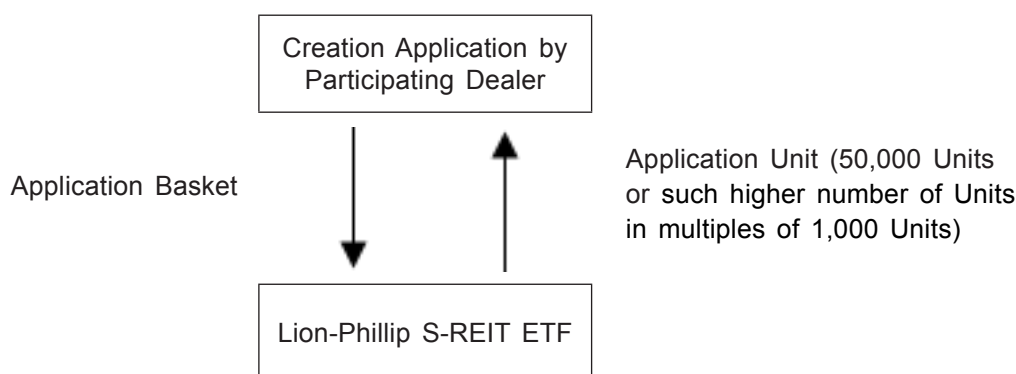

We and the Sub-Manager will not accept or enter into soft-dollar commissions/arrangements unless such soft-dollar commissions/arrangements would reasonably assist us and the Sub-Manager in our management of the Fund, provided that we and the Sub-Manager shall ensure at all times that best execution is carried out for the transactions, and that no unnecessary trades are entered into in order to qualify for such soft-dollar commissions/arrangements.

13. OPERATION OF THE FUND

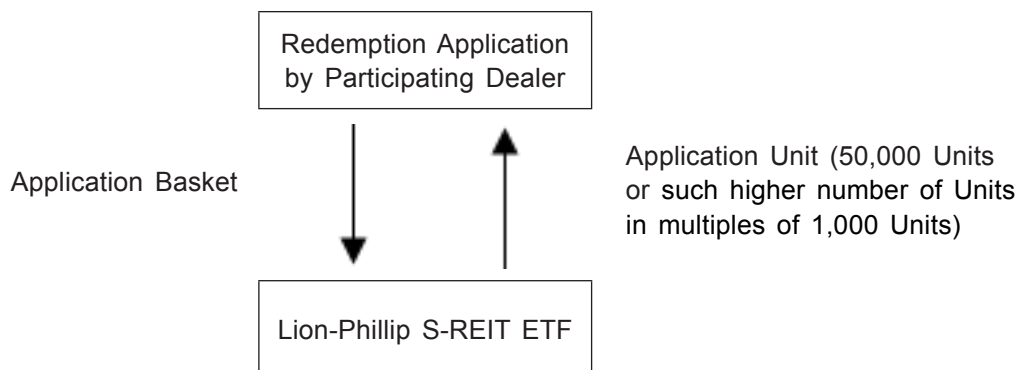

There are two types of investors in the Fund. The first type of investor is the Participating Dealer. Only the Participating Dealer can create and redeem Units directly with the Fund. The second type of investor is any person, other than the Participating Dealer, who buys and sells the Units on the SGX-ST or through a Participating Dealer (subject to such terms and conditions as may be imposed by the Participating Dealer). The diagrams below illustrate the methods of acquiring and disposing Units in the Fund after listing:

13.2 Investors other than Participating Dealers:

(i) Trading Units in the secondary market on the SGX-ST:

(ii) Subscribing and Redeeming Units through a Participating Dealer³

³ Only for clients of Participating Dealers and subject to such terms and conditions as may be imposed by the relevant Participating Dealer.

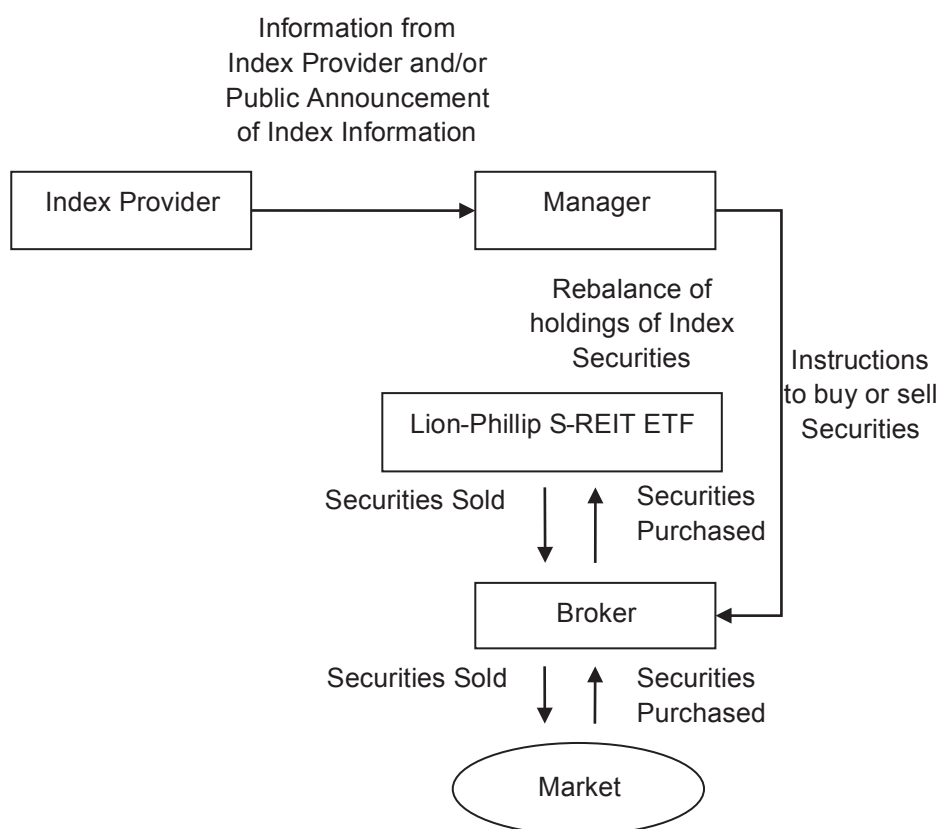

13.3 Index Rebalancing

The constituent Index Securities and their respective weightings within the Index will change from time to time. In order for the Fund to achieve its investment objective of tracking the Index, it will accordingly be necessary for us to rebalance the Fund's holdings of Index Securities comprised in the Index. We will liaise with the Index Provider with regard to such proposed rebalancing and/or derive public information announced by the Index Provider and rebalance the holdings of Index Securities accordingly.

The Index will be reviewed semi-annually on the Rebalancing Reference Dates. Minor rebalancing will be carried out as and when necessary. As the Fund will principally adopt a Replication Strategy as far as possible, it is expected that during the semi-annual rebalancing, the Fund's holding of the Index Securities will be realigned to reflect substantially the Index constituents. Minor rebalancing will only be carried out after cost considerations have been taken into account.

Nevertheless, should we determine in our absolute discretion that a Replication Strategy is not the most efficient means to track the Index, we may adopt a Representative Sampling Strategy instead. We will monitor the tracking error daily and rebalancing of the Fund's holdings will be done by us if we deem it necessary.

The diagram below represents the rebalancing of the Fund's holdings of Index Securities following the rebalancing of the Index:

13.4 Market Makers

A market maker is a broker or a dealer registered by the SGX-ST as a designated market maker to act as such by making a market for the Units in the secondary market on the SGX-ST. A designated market maker's obligations include quoting bid prices to potential sellers and offer prices to potential buyers when there is a wide spread between the prevailing bid prices and offer prices for Units on the SGX-ST. Designated market makers accordingly facilitate the efficient trading of Units by providing liquidity in the secondary market when it is required in accordance with the market making requirements of the SGX-ST. Subject to applicable regulatory requirements, we intend to ensure that there is at least one designated market maker for the Fund to facilitate efficient trading.

The current designated market maker for the Fund is Commerzbank AG. Any change to the designated market maker will be announced on the SGXNET and our website at www.lionglobalinvestors.com.

13.5 Participating Dealer

The role of a Participating Dealer is to facilitate creation and redemption of Units in the Fund from time to time. Under the terms of the Participation Agreement, only a Participating Dealer may apply to create

Units on the presentation of an Application Basket by it comprising the Index Securities and/or the cash equivalent of the Index Securities where applicable. In its absolute discretion, a Participating Dealer may also apply to create Units on behalf of its clients from time to time, subject to such terms and conditions as may be imposed by the relevant Participating Dealer.

The current Participating Dealers are Phillip Securities Pte Ltd, DBS Vickers Securities (Singapore) Pte Ltd, Commerzbank AG and UOB Kay Hian Pte Ltd. Any changes to these Participating Dealers will be announced on the SGXNET and our website at www.lionglobalinvestors.com. If additional Participating Dealers are appointed, we will notify Unitholders on the SGXNET and on our website.

13.6 Index Provider

The Index Provider is Morningstar Research Pte. Ltd. The Index Provider has granted us the exclusive right to use the Index in connection with the Fund for 3 years commencing from the date of inception of the Index. Morningstar Research Pte. Ltd. is the Benchmark Administrator, as defined by the IOSCO Principles for Financial Benchmarks published in July 2013 (“**IOSCO Principles**”). As the Benchmark Administrator, Morningstar Research Pte. Ltd. facilitates the administration, calculation, dissemination and governance of the Index. The Morningstar® **Singapore REIT Yield Focus Index**SM is the Benchmark, as defined by the IOSCO Principles. Morningstar Research Pte. Ltd. is entirely independent of us and no conflict of interest exist.

14. DEALING BY INVESTORS

You cannot create or redeem Units directly in the Fund. However, you may purchase or sell Units either through Participating Dealers (subject to such terms and conditions as may be imposed by the relevant Participating Dealer) or through the SGX-ST.

As the Fund is listed on SGX-ST, you can place an order to buy or sell Units in cash during the trading day through a broker or any Trading Member of the SGX-ST as one would in the case of a share listed on the SGX-ST, at any time after dealings in the Units commence and for so long as the Units are listed on the SGX-ST. The trading price of Units may differ from the Net Asset Value per Unit and there can be no assurance that a liquid secondary market will exist for the Units.

You may trade in Units listed on the SGX-ST in S\$ only.

If you wish to use your Supplementary Retirement Scheme (“**SRS**”) monies to purchase Units in the Fund on the SGX-ST, you should check with your broker or SRS operator on the procedures.

Application has been made to the SGX-ST for listing of and permission to deal in Units in the Fund. Units in the Fund are neither listed nor dealt on any other stock exchange and no application for such listing or permission to deal is being sought as at the date of this Prospectus.

The offer and issue of Units in the Fund during the Initial Offer Period is subject to and conditional upon valid Creation Applications accepted by us to create such number of Units in the Fund for a minimum value of S\$20 million by the close of the Initial Offer Period.

We will inform the Participating Dealers and the Trustee if the above condition is not fulfilled. The subscription amount (including any Duties and Charges and the Transaction Fee) paid by the Participating Dealer will be returned to the Participating Dealer (without interest) and you will be refunded by the Participating Dealer and should consult the Participating Dealer on the procedure for such refund.

15.3 Extension of the Initial Offer Period

If the Initial Offer Period is extended beyond 20 October 2017 to another Dealing Day, Creation Applications received during the Initial Offer Period should be settled on the Business Day which is five Business Days after such Dealing Day (the “**Extended Date**”). In such circumstances, dealings in the Units on the SGX-ST would commence on the fifth Business Day after the Extended Date.

15.4 Minimum Subscription Amount

During the Initial Offer Period and after the close of the Initial Offer Period, the minimum subscription amount for the Fund is 50,000 Units (or such higher number of Units in multiples of 1,000 Units) or such other subscription amount as may be determined by us (with prior written notice to the Trustee and the Participating Dealers). If you wish to acquire less than 50,000 Units, you may only acquire such number of Units on the SGX-ST after the close of the Initial Offer Period.

15.5 Continuous Offering of Units and Dealing Deadlines

Units in the Fund will, subject to any suspension of dealings set out in the Trust Deed, be continuously offered to Participating Dealers who may apply for them on any Dealing Day on their own account or for the account of their clients in accordance with the Operating Guidelines. The Dealing Deadline for purposes of subscription or redemption of Units in cash is 12 p.m. (Singapore time) (or such other time as we may determine with prior notification to Participating Dealers). The Dealing Deadline for purposes of subscription or redemption of Units in-kind is 12 p.m. (Singapore time) (or such other time as we may determine with prior notification to Participating Dealers). All dealing requests are dealt with at the same Net Asset Value at the same Valuation Point for the relevant Dealing Day (or such other time as may be determined by us from time to time with the prior approval of the Trustee).

15.6 Application Unit Size

Units are offered and issued at their Net Asset Value only in Application Unit sizes generally in exchange for a portfolio of Index Securities and/or the cash equivalent of the Index Securities where applicable.

An Application Unit size is currently 50,000 Units (or such higher number of Units in multiples of 1,000 Units). Any change to the Application Unit size will be announced on the SGXNET. Applications submitted in respect of Units other than in Application Unit size will not be accepted.

15.7 Procedures for Creation of Application Unit Size

Only Participating Dealers may apply directly to us to create Units.

We shall instruct the Trustee to effect, for the account of the Fund, the creation of Units in Application Unit size (or such higher number of Units in multiples of 1,000 Units) in accordance with any of (a) or (b) below as determined by us in our discretion:-

- (a) in exchange for a cash payment by the Participating Dealer equivalent to the relevant Application Basket Value (which shall be accounted for as Deposited Property) plus an amount equivalent to any Cash Component, which we shall use to purchase the Index Securities comprised in the Application Basket, provided that we shall be entitled in our discretion to (i) charge to the Participating Dealer for which cash is paid in lieu of delivering any Index Securities such additional sum as represents the appropriate provision for Duties and Charges and the Transaction Fee and (ii) cause to be paid to the Participating Dealer such amount as is determined by us for the purpose of compensating the Participating Dealer up to an amount equal to the positive difference (if any) between the prices used when valuing the Index Securities for the purpose of such creation and the purchase prices actually paid or to be paid out of the Deposited Property in acquiring such Index Securities for the Fund (after the addition to the relevant purchase prices, of any Duties and Charges in respect of such acquisition of Index Securities); or
- (b) in exchange for a delivery in-kind, by the Participating Dealer, to or for the account of the Trustee of Index Securities constituting an Application Basket for the relevant Units, payment of the cash amount equivalent to any Duties and Charges and the Transaction Fee payable plus, if the Cash Component is a positive value, a cash payment equivalent to the amount of the Cash Component. If the Cash Component is a negative value, the Trustee shall be required to make a cash payment equivalent to the amount of the Cash Component to the Participating Dealer. If the Fund has insufficient cash required to pay any Cash Component payable by the Fund, we may effect sales of the Deposited Property of the Fund, or may borrow moneys in accordance with the Trust Deed, to provide the cash required,

provided that we shall have the right to reject or suspend a Creation Application if (i) in our opinion, acceptance of any Index Security included in an Application Basket would have certain adverse tax consequences for the Fund; (ii) we reasonably believe that the acceptance of any Index Security included in an Application Basket would be unlawful; (iii) the acceptance of any Index Security included in an Application Basket would otherwise, in our opinion, have an adverse effect on the Fund; (iv) circumstances outside our control which make it for all practicable purposes impossible to process the Creation Application; (v) we have suspended the rights of Participating Dealers pursuant to the Trust Deed, or (vi) an Insolvency Event occurs in respect of the relevant Participating Dealer.

Once the Units are created, we shall effect, for the account of the Fund, the issue of Units to the relevant Participating Dealer in accordance with the Operating Guidelines.

No fractions of a Unit shall be created or issued by the Trustee.

An application for the creation and issue of Units shall only be made or accepted (as the case may be) on a Dealing Day and shall only be in respect of Units constituting an Application Unit size or such higher number of Units in multiples of 1,000 Units. All Creation Applications shall only be accepted if made by or through a Participating Dealer in accordance with the terms of the relevant Participation Agreement. A Creation Application once given cannot be revoked or withdrawn without our consent.

The Issue Price of Units shall be based on forward pricing which means that the Issue Price of the Units shall not be ascertainable at the time of application for Units. The Issue Price of Units is denominated in S\$.

A Creation Application received (or deemed received) and accepted in accordance with the Operating Guidelines on a Dealing Day shall be issued at that Dealing Day's Issue Price but, for valuation purposes only, Units shall be deemed created and issued after the Valuation Point on the Dealing Day on which the relevant Creation Application was received or deemed received and the Register will be updated on Settlement Day or the Dealing Day immediately following Settlement Day if the settlement period is extended.

If a Creation Application is received on a day which is not a Dealing Day or is received after the Dealing Deadline on a Dealing Day, that Creation Application shall be treated as having been received at the

opening of business on the next following Dealing Day, which shall be the relevant Dealing Day for the purposes of that Creation Application.

For every successful Creation Application, the Participating Dealer will be sent a confirmation detailing the number of Units allotted within 7 Business Days of the receipt of the application by the Registrar. All Units created through subscription of Units by you through the Participating Dealer will be entered on the records of CDP in your name.

No Units shall be issued to any Participating Dealer unless (i) the Creation Application is in a form and substance satisfactory to, and accompanied by such documents as may be required by, the Trustee and us in accordance with the Operating Guidelines, (ii) we and the Trustee receive copies of the certifications required under the Participation Agreement in respect of the creation of new Units, and (iii) we and the Trustee receive such other certifications and opinions of counsel as each may consider necessary to ensure compliance with applicable securities and other laws in relation to the creation and issue of Units which are the subject of the Creation Application.

We may charge a Transaction Fee in respect of Creation Applications and may on any day vary the amount of the Transaction Fee we charge (but not as between different Participating Dealers). The Transaction Fee shall be paid by or on behalf of the Participating Dealer applying for such Units (and may be set off and deducted against any Cash Component due to the Participating Dealer in respect of such Creation Application(s)) to the Trustee and/or the Registrar (as the case may be).

Any commission, remuneration or other sum payable by us to any agent or other person in respect of the issue or sale of any Unit shall not be added to the Issue Price of such Unit and shall not be paid from the Deposited Property.

The Trustee shall be entitled to refuse to enter (or allow to be entered) Units in the Register if at any time the Trustee is of the opinion that the provisions in regard to the issue of Units, are being or may be infringed.

Numerical example of amount payable in the case of a cash Creation Application

The following is an illustration of the total amount payable by a Participating Dealer making a cash Creation Application based on an Application Unit of 50,000 Units, a notional Issue Price per Unit of S\$1.200 plus Duties and Charges of S\$50 and the Transaction Fee of S\$450.

(50,000 Units	x	S\$1.200)	+	S\$50	+	S\$450	=	S\$60,500
Number of Units proposed to be subscribed		Issue Price per Unit		Duties and Charges		Transaction Fee		Total amount payable

Note: The above example is for illustration purposes only and should not be taken as any forecast of future performance. If you are subscribing through a Participating Dealer (whether directly or through a stockbroker), you should note that there may be other additional fees and charges (including brokerage fees and charges) payable to the Participating Dealer, and that the Participating Dealer may ultimately pass on fees and charges which it paid to us and/or Trustee for the Creation Application to you. You should consult the relevant Participating Dealer for details on all additional fees and charges payable by you.

15.8 Cancellation of Creation Application of Units and Extension of Settlement Period

We shall instruct the Trustee to cancel a Creation Application of Units if:-

- (a) all the Index Securities and/or the cash equivalent of the Index Securities constituting the Application Basket deposited for exchange have not been vested by or on the relevant Settlement Day in the Trustee or to the Trustee's satisfaction or evidence of title and instruments of transfer satisfactory to the Trustee have not been produced to or to the order of the Trustee; or
- (b) the full amount of any cash payable (including Duties and Charges and Transaction Fee) has not been received in cleared funds by or on behalf of the Trustee by such time on the Settlement Day as prescribed in the Operating Guidelines,

provided that we may at our discretion, with the approval of the Trustee, extend the settlement period (either for the Creation Application as a whole or for a particular Index Security or all the Index Securities and/or the cash equivalent of the Index Security(ies)), such extension to be on such terms and conditions (including as to the payment of an Extension Fee) as we, with the approval of the Trustee, may determine.

Upon the cancellation of any Creation Application as provided for above or if a Participating Dealer otherwise withdraws a Creation Application other than in the circumstances contemplated in Clause 7.17 of the Trust Deed, such Index Securities and/or the cash equivalent of the Index Securities constituting the Application Basket as have been vested in the Trustee or cash paid in connection with a Creation Application (in either case in respect of such cancelled Units) shall be redelivered or repaid (as the case may be) to the Participating Dealer and the relevant Units shall be deemed for all purposes never to have been created and the applicant therefore shall have no right or claim against us or the Trustee in respect of such cancellation provided that:-

- we may charge the relevant Participating Dealer (for the benefit of the Trustee and/or the Custodian (as the case may be)) an Application Cancellation Fee, being the fee payable by the Participating Dealer in respect of a default, as set out in the Trust Deed and the Operating Guidelines applicable at the time the relevant Creation Application is made;
- we may at our discretion require the Participating Dealer to pay to the Fund in respect of each Unit so cancelled Cancellation Compensation, being the amount (if any) by which the Issue Price of each such Unit exceeds the Redemption Value which would have applied in relation to each such Unit if a Participating Dealer had, on the date on which such Units are cancelled, made a Redemption Application;
- we have a right to seek compensation from the Participating Dealer (for the benefit of the Fund) if a Creation Application is cancelled. This compensation shall encompass all reasonable costs incurred including brokerage fees, Duties and Charges (as applicable) and any losses suffered by the Fund for having to unwind the trades as a result of the cancellation;
- the relevant parties shall be entitled to the Transaction Fee payable in respect of a Creation Application; and
- no previous valuations of the Fund shall be re-opened or invalidated as a result of the cancellation of such Units.

15.9 Procedures for Redemption of Units via SGX-ST

If you wish to redeem Units less than an Application Unit size of 50,000 Units after the Units are listed, you may redeem your Units by trading the Units on the SGX-ST.

If you have purchased Units with monies from your SRS Account, any monies payable to you in respect of such Units shall be paid by transferring the monies to the relevant bank for credit to your SRS Account or otherwise in accordance with the provisions of any applicable law, regulations or guidelines. If the SRS Account has been closed, the monies shall be paid to you in cash or otherwise in accordance with any applicable law, regulations or guidelines.

Further, if the Units cease at any time to be listed on the SGX-ST and any other stock exchange on which the Units may be listed or quoted on for a continuous period of 30 days, subject to the section on "Suspension of Valuations and Dealings", we may, within 30 days (or such other period as may be prescribed by the Authority or the SGX-ST) from the end of such 30-day period, commence accepting redemption requests directly from you subject to the provisions of the Trust Deed. If the Units are subsequently re-listed on the SGX-ST or a stock exchange, we may, on reasonable notice given to you, again require redemption requests to be made only through Participating Dealers (for Application Unit size) or SGX-ST (for Units less than an Application Unit size).

15.10 Procedures for Redemption of Application Unit Size

Only Participating Dealers may apply directly to us to redeem Units.

We shall have the exclusive right, at any time and from time to time following a Redemption Application made by a Participating Dealer in accordance with the Operating Guidelines, by notice in writing to the Trustee to effect a reduction of the assets of the Fund on the relevant Settlement Day by requiring the Trustee to cancel the number of Units specified in such notice.

A Redemption Application shall only be made or accepted (as the case may be) on a Dealing Day and shall only be in respect of Units constituting an Application Unit size or such higher number of Units in multiples of 1,000 Units and shall only be accepted if made by or through a Participating Dealer in accordance with the terms of a Participation Agreement.

The Redemption Value shall be based on forward pricing which means that the Redemption Value of the Units shall not be ascertainable at the time of application to redeem Units.

If a Redemption Application is received on a day which is not a Dealing Day or is received after the Dealing Deadline on a Dealing Day, that Redemption Application shall be treated as having been received at the opening of business on the next following Dealing Day, which shall be the relevant Dealing Day for the purposes of that Redemption Application. For the purpose of valuation, the relevant Valuation Point shall be the Valuation Point for the Dealing Day on which the Redemption Application is treated as having been received.

We shall, on receipt of a Redemption Application in Application Unit size (or such higher number of Units in multiples of 1,000 Units) from a Participating Dealer, effect the redemption of the relevant Units in accordance with any of (a) or (b) below as determined by us in our discretion:

- (a) require the Trustee to pay to the Participating Dealer, (i) a cash amount equivalent to the relevant Application Basket Value plus (ii) an amount determined by us for the purpose of compensating the Participating Dealer up to the amount by which the prices used when valuing the Index Securities for the purpose of such Redemption Application are less than the sale prices actually received or to be received in selling the Index Securities for the Fund (after the deduction from the relevant sale prices, of any Duties and Charges in respect of such disposal of Index Securities and the Transaction Fee); or
- (b) require the Trustee to deliver in-kind to the Participating Dealer, in accordance with the Operating Guidelines, Index Securities constituting the Application Basket for the relevant Units plus, if the Cash Component is a positive value, a cash payment equivalent to the amount of the Cash Component (less any applicable Duties and Charges and the Transaction Fee). If the Cash Component is a negative value, the Participating Dealer shall be required to make a cash payment equivalent to the amount of the Cash Component to the Trustee and any applicable Duties and Charges and the Transaction Fee.

If the Fund has insufficient cash to pay any cash amount payable, we may effect sales of the Deposited Property of the Fund, or borrow moneys in accordance with the Trust Deed, to provide the cash required. The Participating Dealer shall be required to make a cash payment (if any) in respect of any Redemption Application in accordance with the Operating Guidelines.

To be effective, a Redemption Application must:-

- be given by a Participating Dealer in accordance with a Participation Agreement;
- specify the number of Units which is the subject of the Redemption Application; and
- include the certifications required in the Operating Guidelines in respect of redemptions of Units, together with such certifications and opinions of counsel as we and the Trustee may consider necessary to ensure compliance with applicable securities and other laws in relation to the redemption of Units which are the subject of the Redemption Application.

A Redemption Application once given cannot be revoked or withdrawn without our consent.

We may deduct from and set off against any Cash Component payable to a Participating Dealer on the redemption of Units such sum (if any) as we may consider represents the appropriate provision for Duties and Charges and the Transaction Fee. To the extent that the Cash Component is insufficient to pay such Duties and Charges and the Transaction Fee payable on such redemption, the Participating Dealer shall promptly pay the shortfall in the currency of account for the Fund or to the order of the Trustee respectively.

The Trustee shall not be obliged to deliver (and shall have a general lien over) the Index Securities constituting the Application Basket to be delivered in respect of the relevant Redemption Application and to withhold payment to the Participating Dealer of any amounts payable pursuant to Clause 7.4 of the Trust Deed, until the Units to be redeemed are received to the order of the Trustee and such shortfall, if applicable, or any Cash Component payable by the Participating Dealer under Clause 7.4 of the Trust Deed, Transaction Fee, Duties and Charges and any Extension Fee payable under Clause 7.12 of the Trust Deed are paid in full in cleared funds to or to the order of the Trustee.

Unless specifically requested to do so by the Participating Dealer concerned, not later than one month after the relevant Dealing Day, the Trustee shall be under no obligation to check the calculation of the Redemption Value in connection with any redemption or cancellation of Units but shall be entitled at any time before the audited accounts of the Fund, covering the relevant Dealing Day, have been prepared, to require the Fund Administration Agent to justify its calculation of the Redemption Value.

Any Index Securities to be delivered and/or cash to be paid in respect of a Redemption Application shall be delivered and/or paid on the Settlement Day provided that a Redemption Application duly signed by

a Participating Dealer (to our satisfaction and, where any amount is to be paid by telegraphic transfer to a bank account in Singapore, verified in such manner as may be required by, and to the satisfaction of, the Trustee) has been received in accordance with the Operating Guidelines and provided further that the Trustee shall have received (unless otherwise provided in the Operating Guidelines) the Units to be cancelled and the full amount of any cash payable by the Participating Dealer and any Duties and Charges and the Transaction Fee payable have been deducted or otherwise paid in full.

On the relevant Settlement Day in relation to an effective Redemption Application:-

- the Units, which are the subject of the Redemption Application, shall be redeemed and cancelled;
- the assets of the Fund shall be reduced by the cancellation of those Units but, for valuation purposes only, such Units shall be deemed to have been redeemed and cancelled after the Valuation Point as at the Dealing Day on which the Redemption Application was received;
- the name of the Unitholder of such Units shall be removed from the Register of the Fund in respect of those Units on the relevant Settlement Day,

and the Trustee shall (if applicable) deliver the Index Securities relevant to the Redemption Application out of the Deposited Property to the Participating Dealer and/or pay the cash relevant to the Redemption Application out of the Deposited Property to the relevant Participating Dealer and, where required under Clause 7.4 of the Trust Deed, shall pay any Cash Component if applicable (with such deductions as are permitted by the Trust Deed) in accordance with and subject to the provisions of Clause 7.4 and Clause 7.8 of the Trust Deed.

No Index Securities shall be delivered and no cash shall be paid in respect of any Redemption Application to the relevant Participating Dealer unless Units, which are the subject of the Redemption Application, have been delivered to us for redemption by such time on the Settlement Day as we and the Trustee shall for the time being prescribe for Redemption Applications generally.

Payment will be made within 3 Business Days after the receipt and acceptance of the Redemption Application unless the realisation of Units has been suspended in accordance with paragraph 20.

15.11 Cancellation of Redemption Application of Units and Extension of Settlement Period

If Units, which are the subject of a Redemption Application, are not delivered to us for redemption in accordance with the foregoing:-

- the Redemption Application shall be deemed never to have been made except that the Transaction Fee in respect of such application shall remain due and payable and once paid, shall be retained by the relevant parties;
- we may charge the Participating Dealer (for the benefit of the Trustee and/or the Custodian (as the case may be)) an Application Cancellation Fee, being the fee payable by the Participating Dealer in respect of a default, as set out in the Trust Deed and the Operating Guidelines applicable at the time the relevant Redemption Application is made;
- we may at our discretion require the Participating Dealer to pay to the Fund in respect of each Unit Cancellation Compensation, being the amount (if any) by which the Redemption Value of each such Unit is less than the Issue Price which would have applied in relation to each such Unit if a Participating Dealer had, on the final day permitted for delivery of Units which are the subject of the Redemption Application, made a Creation Application; and
- no previous valuations of the Fund shall be re-opened or invalidated as a result of an unsuccessful Redemption Application.

We, with approval of the Trustee, may at our discretion extend the settlement period, such extension to be on such terms and conditions (including as to the payment of an Extension Fee) as we may determine but, in any event, not later than one month from the receipt of an effective Redemption Application.

We may charge the Participating Dealer (for the benefit of the Trustee and/or the Registrar (as the case may be)) a Transaction Fee in respect of Redemption Applications and may on any day vary the amount of the Transaction Fee we charge (but not as between different Participating Dealers). The Transaction Fee shall be paid by or on behalf of the Participating Dealer submitting the Redemption Application(s) (and may be set off and deducted against any cash amount due to the Participating Dealer in respect of such Redemption Application(s)).

Numerical example of the amount of redemption proceeds payable in the case of a cash Redemption Application

The following is an illustration of the redemption proceeds a Participating Dealer will receive based on a cash Redemption Application based on an Application Unit of 50,000 Units, a notional Redemption Value per Unit of S\$1.200 minus Duties and Charges of S\$50 and the Transaction Fee of S\$450.

(50,000 Units	x	S\$1.200)	-	S\$50	-	S\$450	=	S\$59,500
Number of Units proposed to be redeemed		Redemption Value per Unit		Duties and Charges		Transaction Fee		Redemption Proceeds

Note: The above example is for illustrative purposes only and should not be taken as any forecast of future performance. If you are redeeming through a Participating Dealer (whether directly or through a stockbroker), you should note that there may be other additional fees and charges (including brokerage fees and charges) payable to the Participating Dealer, and that the Participating Dealer may ultimately pass on fees and charges which it paid to us and/or the Trustee for the Redemption Application to you. You should consult the relevant Participating Dealer for details on all additional fees and charges payable by you.

16. DIRECTED CASH DEALING

Where a Participating Dealer subscribes or redeems in cash, we may at our sole discretion (but shall not be obliged to) transact with a broker/dealer nominated by the Participating Dealer. Should the nominated broker/dealer default on, or change the terms for, any part of the transaction, the relevant Participating Dealer shall bear all the associated risks and costs. In such circumstances, we have the right to transact with another broker/dealer and amend the terms of the Creation Application or Redemption Application to take into account the default and the changes to the terms.

17. NO CERTIFICATES

Certificates will not be issued in respect of Units in the Fund. Units will be deposited, cleared and settled by the CDP, and held in book-entry form. CDP is the registered owner (i.e. the sole Unitholder on record) of all outstanding Units deposited with the CDP and is therefore recognised as the legal owner of such Units. If you own Units, you are the beneficial owner as shown on the records of CDP.

18. DETERMINATION OF NET ASSET VALUE

The Net Asset Value of the Fund will be determined as at the Valuation Point (or at such other time as we and the Trustee may determine) by valuing the assets of the Fund and deducting the liabilities of the Fund, in accordance with the terms of the Trust Deed.

The Trust Deed provides amongst other things that:-

- (i) all calculations based on the value of investments quoted, listed, traded or dealt in on any securities market (including the listed REITs which constitute the Index Securities) shall be made by reference to the price appearing to us to be the official closing price or last known transacted price on the Recognised Stock Exchange for such investments unless such prices are not representative or not available on the Recognised Stock Exchange, in which case we and the Trustee shall be entitled to use and rely on electronic price feeds from such source or sources as they may from time to time determine, notwithstanding that the prices so used are not the official closing prices or last known transacted prices. If the investments are quoted, listed, traded or dealt in on several Recognised Stock Exchanges, the price shall be determined based on the primary Recognised Stock Exchange of such investments;
- (ii) the value of any interest in any mutual fund corporation or unit trust shall be the last available net asset value per share or unit in such mutual fund corporation or unit trust unless such net asset value is not available, in which case the value of the relevant investment shall be certified by such firm or institution making a market in such investment as may be appointed for such purpose by us with the approval of the Trustee;
- (iii) the value of any investment which is not listed or ordinarily dealt in on a Recognised Stock Exchange shall be based on its fair value (being the price that the Fund would reasonably expect to receive upon the current sale of the investment) made by a person approved by the Trustee as qualified to value such investments;

- (iv) cash, deposits and similar investments shall be valued at their face value (together with accrued interest) unless, in our opinion, any adjustment should be made to reflect the fair value thereof; and
- (v) notwithstanding the foregoing, we may adjust the value of any investment if, having regard to relevant circumstances, we consider that such adjustment is required to reflect the fair value of the investment.

Any changes by us to the method of determining the Net Asset Value as provided in Schedule 1 of the Trust Deed will require the prior approval of the Trustee, and we shall inform Unitholders of any such changes which the Trustee deems to be material.

19. ISSUE PRICE AND REDEMPTION VALUE

The Issue Price of Units, created and issued pursuant to a Creation Application, shall be the Net Asset Value divided by the total number of Units in issue, truncated at three decimal places (or such other number of decimal places or by such other truncation or rounding method as we may from time to time determine with the approval of the Trustee).

The Redemption Value of Units on a Dealing Day shall be the Net Asset Value of the Fund divided by the total number of Units in issue, truncated at three decimal places (or such other number of decimal places or by such other truncation or rounding method as we may from time to time determine with the approval of the Trustee).

20. SUSPENSION OF VALUATIONS AND DEALINGS

Subject to the provisions of the Code relating to suspension of dealings, we and/or the Trustee may, after giving notice to the other party and the Authority, declare a suspension of the determination of the Net Asset Value of the Fund and any dealings in the Units of the Fund for the whole or any part of any period during:-

- (a) which there exists any state of affairs prohibiting the normal disposal of the Fund's investments; or
- (b) which there is a breakdown in any of the means normally employed in determining the Net Asset Value or the Net Asset Value per Unit of the Fund, or when for any other reason the value of any security or other asset in the Fund cannot, in our opinion and/or the opinion of the Trustee, reasonably, promptly and fairly be ascertained; or
- (c) which circumstances exist as a result of which, in our opinion and/or the opinion of the Trustee, it is not reasonably practicable to realise any securities held or contracted for the account of the Fund or it is not possible to do so without seriously prejudicing the interest of Unitholders; or
- (d) which the remittance or repatriation of funds which will or may be involved in the realisation of, or in the payment for, the securities of the Fund or the subscription or realisation of Units is delayed or cannot, in our opinion and/or the opinion of the Trustee, be carried out promptly or at normal rates of exchange; or
- (e) which the right to redeem Units of the Fund is suspended; or
- (f) any 48-hour period (or such longer period as may be agreed between us and the Trustee) prior to the date of any meeting of Unitholders (or any adjourned meeting thereof); or
- (g) any period when our business operations or the business operations of the Trustee in relation to the operations of the Fund are substantially interrupted or closed as a result of or arising from pestilence, acts of war, terrorism, insurrection, revolution, civil unrest, riots, strikes or acts of God; or
- (h) any period when the SGX-ST is closed otherwise than for ordinary holidays; or
- (i) any period when dealings on the SGX-ST on which a Security has its primary listing are restricted or suspended; or
- (j) any period when the market value or fair value of a material portion of the Fund's assets cannot be determined; or
- (k) any period as may be required under the provisions of the Code.

Subject to the provisions of the Code, we and/or the Trustee may, at our/its discretion, at any time after giving notice to each other and the Authority and where practicable following consultation with the relevant Participating Dealer, suspend the right of the Participating Dealer to require the redemption of Units and/or delay the payment of any moneys and transfer of any Securities in respect of any Redemption Application

and any dealings in the Units of the Fund during:-

- (i) any period when the SGX-ST on which an Index Security has its primary listing, or the official clearing and settlement depository (if any) of the SGX-ST, is closed otherwise than for ordinary holidays; or
- (ii) any period when dealings on the SGX-ST on which a Security has its primary listing are restricted or suspended; or
- (iii) any period when, in our opinion and/or the opinion of the Trustee, settlement or clearing of Securities in the official clearing and settlement depository (if any) of the SGX-ST is disrupted; or
- (iv) the existence of any state of affairs as a result of which delivery or purchase of Securities or disposal of investments for the time being comprised in the Fund cannot, in our opinion and/or the opinion of the Trustee, be effected normally or without prejudicing the interests of Unitholders; or
- (v) any period when the Index is not compiled or published or becomes unavailable or is unable to be tracked or used in relation to the Fund for any reason whatsoever; or
- (vi) any breakdown in the means normally employed in determining the Net Asset Value or the Net Asset Value per Unit or when for any other reason the Value of any Securities or other property for the time being comprised in the Fund cannot, in our opinion and/or the opinion of the Trustee, reasonably, promptly and fairly be ascertained; or
- (vii) any period when the determination of the Net Asset Value is suspended; or
- (viii) any 48-hour period (or such longer period as may be agreed between us and the Trustee) prior to the date of any meeting of Unitholders (or any adjourned meeting thereof); or
- (ix) any period when our business operations and the business operations the Trustee in relation to the operations of the Fund are substantially interrupted or closed as a result of or arising from pestilence, acts of war, terrorism, insurrection, revolution, civil unrest, riots, strikes or acts of God; or
- (x) any period when the dealing of Units is suspended pursuant to any order or direction issued by the Authority or the SGX-ST; or
- (xi) any period as may be required under the provisions of the Code.

Subject to the provisions of the Code relating to suspension of dealings, such suspension shall take effect forthwith upon the declaration thereof and thereafter there shall be no determination of the Net Asset Value until we and/or the Trustee shall declare the suspension at an end, except that the suspension shall terminate in any event on the day following the first Business Day on which (i) the condition giving rise to the suspension shall have ceased to exist and (ii) no other condition under which suspension is authorised shall exist.

Whenever we and/or the Trustee declare such a suspension we shall, as soon as may be practicable after any such declaration, notify the Authority in accordance with the requirements in the Code. At least once a month during the period of such suspension, we will publish an announcement on our website containing information about the suspension of the determination of the Net Asset Value and/or suspension of dealings. Such suspension will also be publicly announced on the SGXNET.

No Units will be created or issued during any period of suspension. We and/or the Trustee may at any time by notice to the other parties and the Authority, suspend the issue of Units if, as a result of the investment of the proceeds of issue of such Units, the Fund would breach a provision of the Investment and Borrowing Guidelines, and the relevant provisions relating to suspension of the right of Unitholders to redeem Units shall also apply in accordance with the provisions of the Trust Deed.

21. DISTRIBUTION POLICY

Distributions, if any, will be determined by us. We currently intend to declare semi-annual distributions, less the expenses of the Fund, to Unitholders in February and August of each year. We will decide whether a distribution is to be made based on various factors, including dividend and/or interest income and/or capital gains derived from the investments of the Fund. In addition to distributions to Unitholders out of distributable income and/or capital gains, we may make distributions to Unitholders out of the capital of the Deposited Property in accordance with the provisions of the Trust Deed. Distributions (whether out of income and/or capital) may have the effect of lowering the Net Asset Value of the Fund and this will be reflected in the Redemption Value of the Units. Moreover, distributions out of capital may amount to a reduction of a Unitholder's original investment. Unitholders redeeming their Units may therefore receive an amount less than their initial investment. Such distributions may also result in reduced future returns to Unitholders.

Distributions will only be paid to the extent that they are available for distribution pursuant to the Trust Deed. Distributions are not guaranteed and are subject at all times to our discretion.

On a distribution, the Trustee, in accordance with our instructions, will allocate the amount available for distribution and will pay such amount to the CDP who will in turn allocate and make the necessary payment to the Unitholders based on the number of Units held by each Unitholder on the records of the CDP or its depository agents.

Amounts to be distributed in respect of each Unit shall be rounded to the nearest S\$0.01 per Unit. Subject to the Trust Deed, the Trustee shall cause distributions payable to a Unitholder which remains unclaimed by the Unitholder for more than six (6) years and interest, if any, earned thereon to be paid into court after deducting all fees, costs and expenses incurred in relation to such payment from the sum thereof provided that if the said sum is insufficient to meet all such fees, costs and expenses, the Trustee shall be entitled to have recourse to the Deposited Property.

Income received by the Fund pending distributions may be invested by us in a manner consistent with achieving the investment objective of the Fund.

24. ANNOUNCEMENT OF MATERIAL INFORMATION

We will arrange for all material information that affects the Fund to be announced on SGXNET and on our website at www.lionglobalinvestors.com.

25. TRUST DEED

The Fund is established under Singapore law by the Trust Deed made between us and the Trustee. All Unitholders are entitled to the benefit of, are bound by and are deemed to have notice of, the provisions of the Trust Deed. In the event of any conflict between any of the provisions of this Prospectus and those of the Trust Deed, Participation Agreement or Custodian Agreement, the provisions of the Trust Deed, Participation Agreement or Custodian Agreement shall prevail. The Trust Deed contains provisions for the indemnification of the Trustee and us and its/our respective agents and its/our relief from liability in certain circumstances. Unitholders and prospective applicants are advised to consult the terms of the Trust Deed. All material amendments to the Trust Deed will be announced on the SGXNET.

26. MODIFICATION OF TRUST DEED

We and the Trustee may agree to modify the Trust Deed by supplemental deed or amended and restated deed provided that in the opinion of the Trustee such modification (i) is not materially prejudicial to the interests of Unitholders and does not operate to release to any material extent the Trustee or us from any responsibility to the Unitholders or (ii) is necessary in order to make possible compliance with any fiscal, statutory or official requirement (whether or not having the force of law) or (iii) is made to correct a manifest error or to remove obsolete provisions. In all other cases modifications require the sanction of an Extraordinary Resolution of the Unitholders affected.

Subject to the Code, any material modifications to the Trust Deed, unless they are sanctioned by an Extraordinary Resolution of the Unitholders affected or in the opinion of the Trustee are not of material significance or are made to correct a manifest error or to remove obsolete provisions, will be notified by us to the Unitholders as soon as practicable after they are made.

27. VOTING RIGHTS

Unitholders' meetings may be convened by us, by the Trustee or by Unitholders representing one-tenth or more of the current Units in issue. These meetings may be used to modify the terms of the Trust Deed, including to increase the maximum fees payable to the service providers, to remove the Trustee or to terminate the Fund at any time. Such amendments to the Trust Deed must be passed by a 75% majority of the votes cast. For meetings to pass ordinary resolutions, Unitholders will be given at least 14 calendar days' notice (exclusive of the day on which the notice is served or deemed to be served and of the day for which notice is given) of such meeting. For meetings to pass Extraordinary Resolutions, Unitholders will be given at least 21 calendar days' notice (exclusive of the day on which the notice is served or deemed to be served and of the day for which notice is given) of such meeting.

We, the Trustee, the Custodian and our/their respective Connected Persons and our directors are prohibited from voting our/their beneficially held Units at or be counted in the quorum for a meeting at which we/they have a material interest in the business to be contracted.

We will in respect of voting rights relating to investments of the Fund where we may face conflicts of interests, cause these votes to be exercised in consultation with the Trustee.

28. RESTRICTIONS ON UNITHOLDERS

Every person purchasing Units will be deemed to have represented, agreed and acknowledged that he is not an Unauthorised US Person, U.S. Person or U.S. Holder.

We have the power to impose such restrictions as we may think necessary for the purpose of ensuring that no Units are acquired or held which would result in such holding being:-

- a breach of the law or requirements of any country or governmental authority or any stock exchange on which the Units are listed in circumstances which, in our opinion, might result in the Fund being adversely affected, which the Fund might not otherwise have suffered; or
- in the circumstances which, in our opinion, may result in the Fund incurring any tax liability or suffering any other pecuniary disadvantage which the Fund might not otherwise have incurred or suffered; or
- held by an Unauthorised US Person, U.S. Person or U.S. Holder.

If it shall come to our notice or the notice of the Trustee that any Units are owned directly or beneficially by any person in contravention of any such restrictions as are referred to in Clauses 3.4 and 3.5 of the Trust Deed, we or the Trustee, as the case may be, may give notice to such person requiring him to transfer such Units to a person who would not thereby be in contravention of any such restrictions as aforesaid or to request in writing the redemption of such Units in accordance with the provisions of the Trust Deed. If any person upon whom such a notice is served pursuant to Clause 7.19 of the Trust Deed does not within thirty days after such notice transfer such Units as aforesaid or establish to our satisfaction or the satisfaction of the Trustee, as the case may be, (whose judgment shall be final and binding) that such Units are not held in contravention of any such restrictions he shall be deemed upon the expiration of thirty days after such notice to have requested in writing the redemption of all such Units pursuant to the provisions of the Trust Deed.

A person who becomes aware that he is holding or owning Units in contravention of any such restrictions as are referred to in Clauses 3.4 and 3.5 of the Trust Deed shall forthwith unless he has already received a notice pursuant to Clause 3.7 of the Trust Deed either transfer all such Units to a person who would not thereby be in contravention of any such restrictions as aforesaid or request in writing the redemption of all such Units pursuant to the provisions of the Trust Deed.

We or the Trustee may at any time and from to time, by notice in writing, call upon any person holding directly or beneficially any Units to provide to us or the Trustee such information and evidence as we/it shall require upon any matter concerned with or in relation to such person's holding of or interest in, or the ultimate beneficial owners of (or intermediate holders or owners of), the Units. The exercise by us or the Trustee of the powers conferred by Clauses 3.4, 3.5, 3.6 or 7.20 of the Trust Deed shall not be questioned or invalidated in any case on the ground that there was insufficient evidence of ownership of Units by any person or that the true ownership of any Units was otherwise than appeared to us or the Trustee at the relevant date, provided that the said powers shall have been exercised in good faith. Except where we or the Trustee are/is found by a court of competent jurisdiction that we have/it has acted in bad faith, we or the Trustee shall have no liability whatsoever to any person for any special, direct, indirect, consequential or any other damages (including lost profits) on account of anything done or omitted by us or the Trustee in exercising our/its duties and right to restrict or prevent ownership of Units by an Unauthorised US Person, U.S. Person, U.S. Holder or any person falling under Clause 3.4 of the Trust Deed.

29. REALISATION OF UNITS BY MANAGER

We (in consultation with the Trustee) shall have the right, by giving prior written notice to any Unitholder, to realise compulsorily Units held by:-

- (a) any Unitholder who fails any anti-money laundering, anti-terrorist financing or know-your-client checks, or who is unable or unwilling to provide information and/or documentary evidence requested by us and/or the Trustee and/or our appointed representatives, agents and/or service providers for the purposes of any anti-money laundering, anti-terrorist financing or know-your-client checks;
- (b) any Unitholder who fails to provide any of the requested Personal Information and Account Information for compliance with FATCA (as defined in Schedule 3 of the Trust Deed), the Common Reporting Standard issued by the Organisation for Economic Co-operation and Development or any similar legislation, regulation or guidance enacted in any other jurisdiction applicable to the Fund which seeks to implement equivalent tax reporting and/or withholding tax regimes and/or automatic exchange of information;
- (c) any Unitholder whose holdings of Units, in our opinion:-
 - (i) may cause the Fund to lose its authorised or registered status with any regulatory authority in any jurisdiction; or
 - (ii) may cause the offer of the Units of the Fund, this Prospectus, the Trust Deed, we and/or the Trustee to become subject to any authorisation, recognition, approval or registration requirements under any law or regulation in any other jurisdiction; or
 - (iii) may cause a detrimental effect on the tax status of the Fund in any jurisdiction or on the tax status of the Unitholders of the Fund; or
 - (iv) may result in the Fund or other Unitholders of the Fund suffering any other legal or pecuniary or administrative disadvantage which the Fund or other Unitholders might not otherwise have incurred or suffered; or

(d) any Unitholder:-

- (i) who, in our opinion, is or may be in breach of any applicable law or regulation in any jurisdiction; or
- (ii) where such realisation is, in our opinion, necessary or desirable for our compliance or the Fund's compliance with any applicable law or regulation in any jurisdiction (including any regulatory exemption conditions) and inter-governmental agreements between Singapore and any foreign government.

Any compulsory realisation under this paragraph shall be carried out by us on any Dealing Day, with prior written notice to the Unitholder, and shall be carried out in accordance with, and at the realisation price under, the applicable provisions on realisation in the Trust Deed. For avoidance of doubt, a realisation under this paragraph (be it a compulsory realisation by us or a realisation by the Unitholder in response to our written notice relating to a compulsory realisation) may also be subject to applicable fees and/or charges as set out in this Prospectus and/or the Trust Deed, and all such fees and/or charges related to a realisation under this paragraph shall be borne by the Unitholder.

We, the Trustee and our/their respective delegates, associates, employees or agents, shall not be liable for any loss (whether direct or consequential and including, without limitation, loss of profit or interest) or damage suffered by the Unitholder or any party arising out of or in connection with (whether in whole or in part) any actions which are taken by us, the Trustee and/or any of our/their respective delegates, associates, employees or agents under this paragraph.

30. DUTIES OF TRUSTEE IN RELATION TO CHEQUES

It shall be the duty of the Trustee to prepare and (subject to reimbursement of its expenditure in accordance with the Trust Deed) pay, or caused to be prepared and paid, all cheques which the Trustee has to issue or send as provided in the Trust Deed and to sign such cheques and despatch them on the day on which they ought to be despatched.

31. POWER OF TRUSTEE OR MANAGER TO DISCLOSE INFORMATION

We and the Trustee may transfer and disclose any information whatsoever relating to the Fund, the Trustee or us and the Unitholders to the Trustee's or our head office, branches, subsidiaries, affiliates or agents whether in Singapore or elsewhere and third parties selected by either of us, wherever situated, for confidential use and in connection with services provided by the Trustee or us in relation to the Fund (including in connection with any service and for data processing, statistical and risk analysis purposes). We and the Trustee and our/its head office, branches, subsidiaries, representative offices, affiliates, agents or third parties may transfer and disclose any such information as is required or requested by any court, legal process or regulatory or examining authority (whether governmental or otherwise) any communications, clearing or payment systems, intermediary bank or other system.

32. TRANSFER OF UNITS

Units held by Unitholders may be transferred by an instrument in writing in common form signed by (or, in the case of a body corporate, signed on behalf of or sealed by) the transferor and the transferee. The transferor will be deemed to remain the holder of the Units transferred until the name of the transferee is entered in the relevant Register in respect of such Units.

For so long as the Units are listed on the SGX-ST, transfers of Units between depositors (i.e. direct account holders with the CDP and depository agents whose names are entered in CDP's register in respect of Units held by them) shall be effected electronically through the CDP making an appropriate entry in CDP's electronic register of the Units that have been transferred in accordance with CDP trading requirements, and the above paragraph will not apply to such transfers.

33. CONFLICTS OF INTEREST

We, the Sub-Manager and the Trustee are not in any positions of conflict in relation to the Fund. We, the Sub-Manager and the Trustee shall conduct all transactions with or for the Fund at arm's length. We and the Sub-Manager are of the view that we/it are/is not in a position of conflict in managing our/their other funds and the Fund as each of the other funds and the Fund has its own investment universe, investment objectives and investment restrictions, separate and distinct from each of the other funds. We and the Sub-Manager are obligated by the provisions of each respective trust deed to observe strictly such separate and distinct investment mandate for each of our/their funds. If the various funds place the same orders for the same securities as the Fund, we and the Sub-Manager shall try as far as possible to allocate such securities among the funds in a fair manner based on a proportionate basis.

Our affiliates, the Sub-Manager's affiliates and the Trustee's affiliates are or may be involved in other financial, investment and professional activities which may sometimes give rise to possible conflict of interest within the management of the Fund. We, the Sub-Manager and the Trustee will each ensure that the performance of our respective duties will not be impaired by any such involvement. If a conflict of interest does arise, we and/or the Sub-Manager and/or the Trustee shall try to ensure that it is resolved fairly and in the interest of the Unitholders.

Associates of the Trustee may be engaged to provide financial, banking or brokerage services to the Fund or buy, hold and deal in any investments, enter into contracts or other arrangements with the Trustee and make profits from these activities. Our associates and the Sub-Manager's associates may also be engaged to provide financial, banking or brokerage services to the Fund and make profits from these activities. Such services, where provided and such activities, where entered into, by our associates or the associates of the Sub-Manager or the associates of the Trustee, will be on an arm's length basis.

34. REMOVAL OF THE MANAGER

If any of the following events shall occur, namely:-

- if we go into liquidation (except a voluntary liquidation for the purpose of reconstruction or amalgamation upon terms previously notified in writing to the Trustee) or if a receiver is appointed over any of our assets or if a liquidator or judicial manager is appointed in respect of any of our assets; or
- if in the opinion of the Trustee, we fail or neglect after reasonable notice from the Trustee to carry out or satisfy any obligations imposed on us by the Trust Deed. In such an event, the Trustee shall appoint another manager (duly approved as may be required by law for the time being applicable to the Trust Deed) as the new manager provided always that nothing in the Trust Deed shall derogate our right to challenge such decision by the Trustee as set out in the Trust Deed; or
- the Unitholders by an Extraordinary Resolution duly passed at a meeting of Unitholders (for which purpose Units held or deemed to be held by us shall not be included) shall so decide on a change of manager; or
- the Authority withdraws its approval of us as manager of the Fund or directs the Trustee to remove us,

the Trustee may, by notice in writing to us remove us from office and (subject to the Trust Deed) upon service of such notice, we shall cease to be the manager of the Fund.

35. RETIREMENT OF THE MANAGER

Under the terms of the Trust Deed, we may retire in favour of another manager that is acceptable to the Trustee and the relevant authorities by giving prior notice in writing to that effect to the Trustee. The Trustee shall as soon as practicable and by not more than 30 days after we have indicated our intention to retire, give notice to Unitholders to convene a meeting of Unitholders to approve some other person considered by the Trustee to be suitably qualified to act as manager of the Fund.

Any change to the manager of the Fund will be announced forthwith on the SGXNET and on our website at www.lionglobalinvestors.com.

36. REMOVAL OF THE TRUSTEE

The Trustee may be removed by notice in writing given by us in any of the following events:-

- if the Trustee goes into liquidation (except a voluntary liquidation for the purpose of reconstruction or amalgamation upon terms previously notified in writing to us) or if a receiver is appointed over any of its assets or if a liquidator or judicial manager is appointed in respect of the Trustee; or
- following a material breach of the Trustee's obligations under the Trust Deed which, if the breach is capable of remedy, the Trustee fails to remedy within 30 days (or such number of days as may be required by us and the Trustee) of being specifically required to do so by us, and we are of the opinion and state so in writing to the Trustee that a change of the Trustee is desirable and in the best interests of Unitholders as a whole; or
- if the Unitholders by Extraordinary Resolution duly passed at a meeting of Unitholders shall so decide on a change of Trustee; or
- if the Authority directs that the Trustee be removed.

In any of such events, we shall use our best endeavours to appoint another person duly eligible in accordance with Clause 29.3 of the Trust Deed and that is acceptable to the Authority to act as the new trustee of the Fund, and the Trustee shall upon receipt of notice by us execute such deed as required under Clause 29.4 of the Trust Deed.

37. RETIREMENT OF THE TRUSTEE

Under the terms of the Trust Deed, the Trustee shall not be entitled to retire voluntarily except upon the appointment of a new trustee. Such new trustee shall be a company eligible to be the trustee of the Fund and that is acceptable to the Authority. In the event of the Trustee desiring to retire it shall give notice in writing to that effect to us and we shall use our best endeavours to appoint another person as the new trustee for the Unitholders in the place of the retiring Trustee upon and subject to the retiring Trustee and such new trustee entering into such deed as required under the Trust Deed. If within a period of three months after the date on which the Trustee expresses in writing to us its desire to retire, we shall have failed to appoint a new trustee, the Trustee shall be entitled (but not obliged) to appoint a new trustee on the same basis as aforesaid or to terminate the Fund in accordance with Clause 32.1(E) of the Trust Deed.

38. LIABILITY AND INDEMNITY OF TRUSTEE, MANAGER AND REGISTRAR

Please note that the following paragraphs are extracts from the Trust Deed and you should refer to the Trust Deed for full details on the clauses relating to exemptions from liability (as well as indemnities) provided to the Trustee and us pursuant to the Trust Deed.

We, the Trustee, the Registrar or each of our/their duly appointed agents or delegates (including any sub-delegates) (hereinafter referred to as “**appointees**” for purposes of this section “Liability and Indemnity of Trustee, Manager and Registrar”) shall not incur any liability in respect of any action taken, omission to do or thing suffered by us/them in reliance upon any notice, resolution, direction, consent, certificate, affidavit, statement, certificate of stock, plan of reorganisation or other document of title, or other paper or document believed to be genuine and to have been passed, sealed or signed by the proper parties.

We, the Trustee the Registrar or each of our/their appointees shall not be responsible for the authenticity of any signature on or any seal affixed to any endorsement on any certificate or to any instrument of transfer or form of application, request for realisation, endorsement or other document affecting the title to or transmission of Units (received by mail, facsimile, electronic mail or otherwise, including signatures on such documents) or be in any way liable for any forged or unauthorised signature on or seal affixed to such endorsement, transfer, form or other document or for acting or relying on or giving effect to any such forged or unauthorised signature or seal or for exercising our/their discretion not to act on such instructions received by facsimile, electronic transmission or otherwise, provided that we, the Trustee, the Registrar or each of our/their appointees reasonably believed that such signature or seal was authentic.

We, and the Trustee and each of our/its appointees may rely upon the established practice and rulings of any Recognised Stock Exchange and any committees and officials thereof on which any dealing in any investment is from time to time effected in determining what shall constitute a good delivery and any similar matters and such practice and rulings shall be conclusive and binding upon all persons under the Trust Deed.

We, the Trustee, the Registrar or each of our/their appointees shall not be responsible for acting upon any resolution purporting to have been passed at any meeting of Unitholders, in respect whereof minutes shall have been made and signed even though it may be subsequently found that there was some defect in the constitution of the meeting or the passing of the resolution or that for any reason the resolution was not binding upon all the Unitholders in the Fund.

We, the Trustee, the Registrar or each of our/their appointees shall not incur any liability to the Unitholders or any of them for doing or (as the case may be) failing to do any act or thing which by reason of any provision of any present or future law or regulation made pursuant thereto or of any decree, order or judgment of any court or by reason of any request, announcement or similar action (whether of binding legal effect or not) which may be taken or made by any person or body acting with or purporting to exercise the authority of any government or regulatory authority (whether legally or otherwise) either we or any of them shall be directed or requested to do or perform or to forbear from doing or performing. If for any reason it becomes impossible or impracticable to carry out the provisions of the Trust Deed, neither we, the Trustee, nor the Registrar or each of our/their appointees shall be under any liability therefor or thereby.

The Trust Deed includes indemnities given in favour of the Trustee and us and any indemnity expressly given to the Trustee or to us or each of its/our appointees in the Trust Deed is in addition to and without prejudice to any indemnity allowed by law. Nothing in any of the provisions of the Trust Deed shall in

any case in which we and the Trustee or each of our/its appointees (as the case may be) have failed to show the degree of diligence and care required of it/us as manager and trustee and by the provisions of the Trust Deed, exempt us/it from or indemnify us/it against any liability for breach of trust or any liability which by virtue of any rule of law would otherwise attach to us/it in respect of any gross negligence, wilful default or breach of trust of which we/it may be guilty in relation to our/its duties.

Save as otherwise provided in the Trust Deed and to the extent permitted by the Authority and the applicable laws and regulations, the Trustee shall not incur any liability in respect of or be responsible for losses incurred through the insolvency of or any act or omission of any Correspondent (as defined below), depository or clearing system, broker, financial institution or other person with which the investments of the Fund are or may be deposited. Where we have instructed the Trustee to open an account(s) with any bank or other financial institutions in respect of the Fund, to the extent permitted under the applicable laws and regulations, the Trustee shall not be liable for any act or omission of such bank or other financial institutions or any loss occasioned by reason of the liquidation, bankruptcy or insolvency of such bank or other financial institutions.

We and the Trustee may act upon any advice of or information obtained from any bankers, accountants, brokers, lawyers, agents or other persons acting as agents or advisers either of us or the Trustee and shall not be liable for anything done or omitted or suffered in good faith in reliance upon such advice or information. Any such advice or information may be obtained or sent by letter, facsimile transmission or electronic mail and neither we nor the Trustee shall be liable for acting on any advice or information purported to be conveyed by any such letter, facsimile transmission or electronic mail notwithstanding that the same shall contain some error or shall not be authentic.

The Trustee or its appointees shall not be in any way responsible for any errors or disputes over any calculation or determination or be under any liability on account of anything done or suffered by the Trustee or its appointees in good faith in accordance with or in pursuance of any advice, request or instruction (including but not limited to any request for subscription or realisation of Units or any advice, request or instruction given by us in relation to the calculation and determination of the Net Asset Value of the Fund, the value of any Deposited Property or any part thereof or any cash amount payable to or by the Participating Dealer in respect of any Application) made by facsimile, electronic mail or telephone and allowed by us including but not limited to any loss arising from the non-receipt of any request for subscription or realisation of Units sent by facsimile or electronic mail notwithstanding the fact that a facsimile transmission report or email confirmation is produced by the originator of such transmission discloses that the transmission was sent.

We, the Trustee, the Registrar or each of our/their appointees shall not be under any liability except such liability (including, but not limited to, any loss, damage, claim, cost or expense which may happen to or be suffered by the Fund, or by the Income thereof, at any time or from any cause whatsoever) as may be expressly imposed by the Trust Deed nor shall any of us/them (save as otherwise provided in this Prospectus) be liable for any act or omission of the other. For the avoidance of any doubt, the Trustee shall not be under any liability (save as otherwise provided in the Trust Deed) for any act or omission by us or any of our appointees.

Save as otherwise expressly provided in the Trust Deed, we and the Trustee and any of our/its appointees shall be entitled for the purpose of indemnity against any actions, costs, claims, liabilities, damages, expenses or demands to which it may be put as us or the Trustee or our/its appointees and to have recourse to the assets of the Fund or any part thereof without prejudice to the right of the Trustee to be reimbursed out of the Deposited Property or any part thereof, in relation to any transaction entered into by us or the Trustee or any of our/its appointees with any third parties or any action taken or omission by us or the Trustee or any of our/its appointees, in connection with or for or on behalf of the Fund, provided that such transaction entered into or action taken by us or the Trustee or any of our/its appointees is in accordance with the terms of this Prospectus and the Trust Deed.

The Trustee and its appointees shall not be responsible for: (i) verifying or checking any valuation of any Deposited Property of the Fund or the Net Asset Value of the Fund, any calculation of the prices at which Units are to be issued or realised, any calculation of the cash amount payable to or by the Participating Dealer in respect of any Application, (ii) verifying that a Participating Dealer has the requisite number of Units that are eligible to be redeemed in accordance with the relevant Participation Agreement in respect of a Redemption Application or (iii) the publication of the Net Asset Value per Unit (or the indicative Net Asset Value per Unit) of the Fund by any person including us, except as specifically provided in the Trust Deed.

For the avoidance of doubt, any reference to the Trustee in this paragraph 38 shall be construed to mean the Trustee in its own capacity and, where appropriate, in its capacity as the Registrar of the Fund.

We, the Sub-Manager, the Trustee, the Custodian, the Participating Dealers, the market makers for the Fund and any Connected Person of those respective parties may contract or enter into any financial, banking or other transaction with one another or with any Unitholder or any company or body any of whose shares or securities form part of the Fund or may be interested in any such contract or transaction provided that any such contract or transaction shall be conducted on an arm's length basis. We, the Sub-Manager, the Trustee, the Custodian, the Participating Dealers, the market makers for the Fund and any such Connected Person shall not be in any way liable to account to the Fund or the Unitholder or to each other for any profit or benefit made or derived thereby or in connection therewith.

The Trustee shall not be under any obligation to institute, acknowledge service of, appear in, prosecute or defend any action or suit in respect of the provisions of the Trust Deed or in respect of the Deposited Property or any part thereof or any corporate or shareholders' action which in its opinion would or might involve it in expense or liability unless we so request in writing and the Trustee shall be indemnified out of the Deposited Property to its satisfaction.

Save as otherwise expressly provided in the Trust Deed, we and the Trustee (for purpose of this section, the **"Delegator"**) may at our/its own expense delegate by power of attorney or otherwise to any person, persons, fluctuating body of persons, firm or corporation all or any of the powers, rights, privileges, duties and discretions vested in us/it by these presents and such delegation may be made upon such terms and conditions and subject to such regulations (including powers to sub-delegate) as the relevant Delegator may think fit and the relevant Delegator shall:-

- (a) exercise reasonable skill, care and diligence in the selection, appointment and monitoring of any such delegate;
- (b) be responsible during the term of appointment of each delegate for satisfying themselves as to the ongoing suitability of such delegate to provide its services;
- (c) not be liable for any losses incurred through the act or omission of any of its delegate except where it has failed to exercise reasonable care and skill in the selection, appointment and monitoring of such delegate (having regard to the market in which the relevant delegate is located); and
- (d) not be liable for losses incurred through the insolvency of any delegate except where it has failed to exercise reasonable care and skill in the selection, appointment, and monitoring of such delegate, but shall use reasonable endeavours within its ability to recover any loss of Securities and investments arising directly from any default of a delegate.

The Trustee shall exercise reasonable skill, care and diligence in the selection, appointment and monitoring of any agent, nominee, custodian, co-custodian or sub-custodian appointed by the Trustee to hold any of the investments of the Deposited Property (each a **"Correspondent"**) and shall not be liable for any losses incurred through the act or omission of any Correspondent except where it has failed to exercise reasonable care and skill in the selection, appointment and monitoring of such Correspondent (having regard to the market in which the relevant Correspondent is located).

Before making any distribution or other payment in respect of any Unit or in respect of our fee, the Trustee may make such deductions as by the law of the Republic of Singapore or by the law of any other country in which such payment or distribution is made the Trustee is required or entitled to make in respect of any income or other taxes, charges or assessments whatsoever and the Trustee may also deduct the amount of any stamp duties or other governmental taxes or charges payable by it for which it might be made liable in respect of such distribution or payment or any documents signed by it in connection therewith. The Trustee shall not be liable to account to any Unitholder or former Unitholder relating to the Fund for any payment made or suffered by the Trustee in good faith to any duly empowered fiscal authority of Singapore or elsewhere for taxes or other charges in any way arising out of or relating to any transaction of whatsoever nature under the Trust Deed notwithstanding that any such payments ought not to be or need not have been made or suffered.

Under no circumstances will we, the Sub-Manager and the Trustee be liable for any special, indirect or consequential loss, loss of business, goodwill, opportunity or profit or any special or punitive damages of any kind whatsoever; in each case however caused or arising and whether or not foreseeable, even if advised of the possibility of such loss or damage.

The Trustee shall not be liable for any loss suffered by the Deposited Property of the Fund or any Unitholder of Units for any loss or damage arising from reasons or crisis beyond its control, or the control of any of its employees including without limitation nationalisation, expropriation, acts of war, terrorism, insurrection, revolution, civil interest, riots, strikes, nuclear fusion or acts of God.

The Trustee shall not be liable for any delay to or loss suffered by any Participating Dealer or its customer(s) caused by the creation or redemption of Units being suspended pursuant to the Trust Deed, caused by the CDP being closed or the settlement and clearing of securities in the CDP being disrupted in any way whatsoever, or due to any change (including but not limited to any change of the Index Basket) to the Operating Guidelines of the relevant Participation Agreement.

In the absence of fraud and wilful default by the Trustee, the Trustee shall not incur any liability by reason of any loss which any Unitholder may suffer by reason of any depletion in the Net Asset Value of the Fund which may result from any borrowing arrangements made hereunder by reason of fluctuations in rates of exchange or otherwise and (save as otherwise expressly provided in the Trust Deed) the Trustee and its duly appointed agents shall be entitled to be indemnified out of and have recourse to the Fund in respect of any liabilities, costs, claims or demands which it may suffer arising directly or indirectly from the operation of Clause 12.12 of the Trust Deed and the arrangements referred to in the Trust Deed.

39. EXCHANGE CLEARANCE AND SETTLEMENT

For the purpose of trading on the SGX-ST, a board lot for the Units will comprise 100 Units.

Upon listing and quotation on the SGX-ST, the Units will be traded under the electronic book-entry clearance and settlement system of CDP. All dealings in and transactions of the Units through the SGX-ST will be effected in accordance with the terms and conditions for the operation of Securities Accounts, as amended from time to time.

CDP, a wholly-owned subsidiary of Singapore Exchange Limited, is incorporated under the laws of Singapore and acts as a depository and clearing organisation. CDP holds securities for its accountholders and facilitates the clearance and settlement of securities transactions between accountholders through electronic book-entry changes in the Securities Accounts maintained by such accountholders with CDP.

39.1 Clearance and Settlement under the Depository System

The Units will be registered in the name of CDP or its nominee and held by CDP for and on behalf of persons who maintain, either directly or through depository agents, Securities Accounts with CDP. Persons named as direct Securities Account holders and depository agents in the depository register maintained by CDP will be treated as Unitholders in respect of the number of Units credited to their respective Securities Accounts. You should note that as long as the Units are listed on the SGX-ST, Units may not be withdrawn from the depository register kept by CDP.

Transactions in the Units under the book-entry settlement system will be reflected by the seller's Securities Account being debited with the number of Units sold and the buyer's Securities Account being credited with the number of Units acquired and no transfer stamp duty is currently payable for the transfer of Units that are settled on a book-entry basis.

Units credited to a Securities Account may be traded on the SGX-ST on the basis of a price between a willing buyer and a willing seller. Units credited into a Securities Account may be transferred to any other Securities Account with CDP, subject to the terms and conditions for the operation of Securities Accounts and a transfer fee payable to CDP (you should refer to the CDP's website at <https://www1.cdp.sg.com> for the latest applicable transfer fee). All persons trading in the Units through the SGX-ST should ensure that the relevant Units have been credited into their Securities Account, prior to trading in such Units, since no assurance can be given that the Units can be credited into the Securities Account in time for settlement following a dealing. If the Units have not been credited into the Securities Account by the due date for the settlement of the trade, the buy-in procedures of the CDP will be implemented.

Trading of the Units on the SGX-ST will be carried out in Singapore dollars, and will be effected for settlement in CDP on a scripless basis. Settlement of trades on a normal "ready" basis on the SGX-ST generally takes place on the third Business Day following the transaction date. CDP holds securities on behalf of investors in Securities Accounts. You may open a direct account with CDP or a sub-account with any CDP depository agent. A CDP depository agent may be a member company of the SGX-ST, bank, merchant bank or trust company.

39.2 Clearing Fees

A clearing fee and an SGX access fee for the trading of Units on the SGX-ST is payable at the rate of 0.0325% and 0.0075% of the transaction value respectively (or such other rate of clearing fee and SGX access fee as the SGX-ST may determine from time to time). The clearing fee, access fee, instrument of transfer, deposit fee and unit withdrawal fee may be subject to the prevailing GST.

40. TERMINATION

The Fund is of indeterminate duration and shall continue until terminated in the manner provided in the Trust Deed.

The Fund may be terminated by the Trustee if any of the following events shall occur, namely:-

- (a) if we go into liquidation (except a voluntary liquidation for the purpose of reconstruction or amalgamation upon terms previously notified in writing to the Trustee) or if a receiver is appointed over any of our assets or if a liquidator or judicial manager is appointed in respect of any of our assets; or
- (b) in the opinion of the Trustee (and the Trustee shall so state in writing to us) we have ceased to carry on business or have, to the prejudice of Unitholders, failed to comply with any provision of the Trust Deed; or
- (c) any law shall be passed which renders it illegal, impracticable or inadvisable in the opinion of the Trustee to continue the Fund; or
- (d) either the Trustee shall be unable to find a person acceptable to the Authority to act as the new manager after the expiration of 3 months from the date of removing us as manager pursuant to Clause 29.5 of the Trust Deed or the person nominated by the Trustee as the new manager shall fail to be approved by an Extraordinary Resolution pursuant to Clause 29.8 of the Trust Deed; or
- (e) the Trustee shall have decided to retire pursuant to Clause 29.2 of the Trust Deed, but after the expiration of 3 months after the Trustee giving notice to us of its desire to retire we shall be unable to find a suitable person who is willing to act as trustee and that is acceptable to the Authority; or
- (f) if the Authority directs the termination of the Fund.

The Trustee may, in its absolute discretion, terminate the Fund under any of the circumstances set out above, by giving 3 months' prior notice in writing to us, except that the Trustee may terminate the Fund immediately pursuant to paragraphs (a), (c) and (f) above.

We may terminate the Fund if:-

- (i) the aggregate Net Asset Value of all Units outstanding in the Fund shall be less than S\$20 million; or
- (ii) any law is passed which renders it illegal, impracticable or inadvisable in our opinion to continue the Fund; or
- (iii) in the case where we decide to retire, either the Trustee shall be unable to find a person acceptable to the Authority to act as the new manager after the expiration of 3 months of us giving the Trustee notice of our intention to retire pursuant to the Trust Deed, or the person nominated by the Trustee as the new manager shall fail to be approved by an Extraordinary Resolution pursuant to the Trust Deed; or
- (iv) the Index is no longer available for benchmarking or the Index licence agreement is terminated and no suitable replacement index is available to the Fund; or
- (v) the Units are no longer listed on the SGX-ST or any other Recognised Stock Exchange; or
- (vi) the CDP or any other central depository system for the holding and transfer of book-entry securities is no longer able to act as the depository for the Units listed on the SGX-ST or any other Recognised Stock Exchange (as the case may be); or
- (vii) the Authority revokes or withdraws the authorisation of the Fund under the Securities and Futures Act; or
- (viii) we are unable to find an acceptable person to act as a Participating Dealer or a market maker; or
- (ix) the Authority directs the termination of the Fund.

We may, in our absolute discretion, terminate the Fund under any of the circumstances set out above, by giving 3 months' prior notice in writing to the Trustee, except that we may terminate the Fund immediately pursuant to paragraphs (ii), (iv), (v), (vi), (vii), (viii) and (ix) above.

The party terminating the Fund shall give 3 months' prior notice in writing to Unitholders, except where we or the Trustee may forthwith terminate the Fund as set out in the Trust Deed. Any such notice to be

given to Unitholders in relation to the termination of the Fund will also be published on our website and SGXNET.

Further, Unitholders may at any time authorise termination of the Fund by Extraordinary Resolution passed at a duly convened Unitholders' meeting.

In the event of termination of the Fund, we shall provide such information, documents and assistance as may be necessary or reasonably requested by the Trustee to enable the Trustee to fulfil its duties and obligations pursuant to the termination of the Fund under the Code.

Upon the Fund being terminated, subject to authorisations or directions (if any) given to it by the Unitholders by Extraordinary Resolution:-

- We shall arrange the sale of all investments then comprised in the Fund and such sale shall be carried out and completed in such manner and within such period after the termination of the Fund as we shall consider advisable. The Trustee shall from time to time distribute to the Unitholders rateably in accordance with the number of Units held by them respectively all net cash proceeds derived from the realisation of the investments comprised in the Fund and available for the purposes of such distribution except that if circumstances exist as a result of which, in our sole opinion notified to the Trustee, it is not reasonably practicable to realise all the investments comprised in the Fund, the Trustee shall distribute to the Unitholders rateably in accordance with the number of Units held by them respectively the investments available in specie at a valuation determined by the Trustee (provided that no Unitholder will be required to accept the distribution to him of any assets in specie without his written consent), and subject to the following:-
 - All payments in respect of such distributions shall be made in accordance with the relevant provisions of the Trust Deed. Every such distribution shall be made only upon delivery to the Trustee of such form of request for payment as the Trustee shall in its absolute discretion require.
 - The Trustee shall not be bound (except in the case of the final distribution) to distribute any of the monies for the time being comprised in the Fund the amount of which is insufficient to pay S\$0.01 in respect of each Unit.
 - The Trustee shall be entitled to retain out of any monies comprised in the Fund such sum as it shall determine to be full provision for all costs, charges, expenses, claims, demands, actions and proceedings incurred, made or instituted against or apprehended by the Trustee in connection with or arising out of the Fund or the termination thereof and shall, out of the monies so retained, be indemnified and saved harmless against any such costs, charges, expenses, claims, demands, actions and proceedings.

If the Fund is terminated by the Trustee or us in accordance with the terms of this Prospectus or the Trust Deed, notice of such termination will be announced on the SGXNET and we shall notify the Authority of such termination at least 7 days before the effective date of the termination of the Fund.

44. TAXATION

44.1 Singapore Taxation

THE DISCUSSION BELOW IS A SUMMARY OF CERTAIN SINGAPORE INCOME TAX CONSEQUENCES OF THE PURCHASE, OWNERSHIP AND DISPOSITION OF UNITS IN THE FUND. THE SUMMARY IS

BASED ON THE EXISTING PROVISIONS OF THE RELEVANT TAX LAW AND THE REGULATIONS THEREUNDER, AND PRACTICES IN EFFECT AS AT THE DATE HEREOF, ALL OF WHICH ARE SUBJECT TO CHANGE AND DIFFERING INTERPRETATIONS, EITHER ON A PROSPECTIVE OR RETROACTIVE BASIS. THE SUMMARY IS NOT INTENDED TO CONSTITUTE A COMPLETE ANALYSIS OF ALL THE TAX CONSIDERATIONS RELATING TO A PARTICIPATION IN THE FUND. YOU SHOULD CONSULT YOUR OWN TAX ADVISERS CONCERNING THE TAX CONSEQUENCES OF YOUR PARTICULAR SITUATION, INCLUDING THE TAX CONSEQUENCES ARISING UNDER THE LAWS OF ANY OTHER TAX JURISDICTION, WHICH MAY BE APPLICABLE TO YOUR PARTICULAR CIRCUMSTANCE.

With effect from 1 September 2014, the Designated Unit Trust (“**DUT**”) scheme is administered on a self-assessment basis. The Fund must meet the specified conditions of the DUT scheme throughout the basis period for each year of assessment and the Trustee is required to complete and submit a declaration form to the Inland Revenue Authority of Singapore (“**IRAS**”) on an annual basis. The specified conditions of the DUT scheme include the following:-

- (a) the Fund is a collective investment scheme which is authorised under section 286 of the Securities and Futures Act and the units of which are offered to the public for subscription;
- (b) the Fund is not a real estate investment trust or a property trust that invests directly in immovable properties in Singapore;
- (c) the trustee of the Fund is tax resident in Singapore; and
- (d) the fund manager holds a capital markets services licence for fund management under the Securities and Futures Act or is exempt from the requirement to hold such a licence under the Securities and Futures Act, and the Fund is managed in Singapore by that fund manager.

In addition, unless further extended, the DUT scheme will expire on 31 March 2019. Even if the DUT scheme were to expire on 31 March 2019, the Fund may continue to enjoy the DUT status if it continues to meet all the specified conditions of the DUT scheme and the Trustee completes and submits the annual declaration form to the IRAS within the specified time limit. The discussion below is on the premise that the Fund will be able to meet the conditions of the DUT scheme and avail to the benefits of the DUT scheme for the relevant year of assessment. The key aspects relating to the taxation of a DUT are summarised below.

I. Taxation of the Fund

Under Section 35(12) of the Income Tax Act, Chapter 134, Revised Edition 2014 (“**ITA**”), subject to meeting certain conditions, the following income (hereinafter termed as “**Designated Income**”) will not form part of the statutory income of the Fund and is thus not taxable at the Fund’s level:-

- (a) gains or profits derived from Singapore or elsewhere from the disposal of securities;
- (b) interest (other than interest for which tax has been deducted under Section 45 of the ITA);
- (c) dividends derived from outside Singapore and received in Singapore;
- (d) gains or profits derived from:
 - (i) foreign exchange transactions;
 - (ii) transactions in futures contracts;
 - (iii) transactions in interest rate or currency forwards, swaps or option contracts; and
 - (iv) transactions in forwards, swaps or option contracts relating to any securities or financial index;
- (e) distributions from foreign unit trusts derived from outside Singapore and received in Singapore;
- (f) fees and compensatory payments (other than fees and compensatory payments for which tax has been deducted under Section 45A of the ITA) from securities lending or repurchase arrangements with certain specified persons;
- (g) rents and any other income derived from any immovable property situated outside Singapore and received in Singapore;
- (h) discount derived from outside Singapore and received in Singapore;
- (i) discount from qualifying debt securities (QDS) issued during the period from 17 February 2006 to 31 December 2018;

- (j) gains or profits derived from the disposal of debentures, stocks, shares, bonds or notes issued by supranational bodies;
- (k) prepayment fee, redemption premium and break cost from QDS issued during the period from 15 February 2007 to 31 December 2018; and
- (l) such other income directly attributable to QDS issued on or after a prescribed date, as may be prescribed by regulations.

Unless otherwise exempt from tax, any income not falling within the prescribed list of Designated Income (“**non-Designated Income**”) will generally be subject to tax at the prevailing corporate income tax rate, currently 17%. The tax on such income will be assessed on the Trustee in its capacity as the trustee of the Fund.

Taxable income distribution from Real Estate Investment Trusts (“**REITs**”) listed in Singapore derived by the Fund will generally be subject to tax withheld at source at the prevailing income tax rate, currently 17%. Such taxable income distribution derived by the Fund is a non-Designated Income and will be subject to tax at the prevailing income tax rate, currently 17%, which could be offset by the tax withheld at source. The gains or profits derived by the Fund from the disposal of units in REITs listed in Singapore are Designated Income.

Distributions made by the Fund to all Unitholders will not attract Singapore withholding tax.

II. Taxation of Unitholders

Unitholders level - Distributions

The tax treatment of distributions by a DUT in the hands of Unitholders is as follows:-

Individuals

Individuals (whether resident in Singapore or not) are exempt from Singapore income tax on distributions made by the trustee of any collective investment scheme constituted as a unit trust authorised under Section 286 of the Securities and Futures Act and the units of which are offered to the public for subscription. This tax exemption does not apply to distributions derived by individuals through a partnership in Singapore or from the carrying on of a trade, business or profession.

Non-Individuals

Foreign investors

All distributions of Designated Income to Unitholders who are “foreign investors” are exempt from Singapore income tax.

A “foreign investor” is defined in Section 10(23) of the ITA as:

- (i) in relation to an individual, an individual who is not resident in Singapore;
- (ii) in relation to a company, a company which is neither resident in Singapore nor carrying on business through a permanent establishment in Singapore, and where not less than 80% of the total number of the issued shares are beneficially owned, directly or indirectly, by persons who are not citizens of Singapore and not resident in Singapore; and
- (iii) in relation to a trust fund, a trust fund where at least 80% of the value of the fund is beneficially held, directly or indirectly, by foreign investors referred to in paragraph (i) or (ii) above and, unless waived by the Minister or such person as he may appoint, where:-
 - (A) the fund is created outside Singapore; and
 - (B) the trustees of the fund are neither citizens of Singapore nor resident in Singapore, nor do they carry out duties as such trustees through a permanent establishment in Singapore.

In general, any non-Designated Income is subject to a final tax at the Fund’s level. Any distributions made out of non-Designated Income will not be subject to further Singapore income tax in the hands of a foreign investor.

Distributions paid by the Fund out of non-Designated Income that is exempt from income tax will be exempt in the hands of such Unitholders. Non-Designated Income that is exempt from income tax includes tax exempt distribution from REITs listed in Singapore and Singapore one-tier tax exempt dividend.

Other Unitholders

Other Unitholders (i.e. those who are neither individuals nor foreign investors) are generally subject to Singapore income tax on the gross amount of the distributions paid out of Designated Income by the Fund. Such distributions are deemed to be income of such Unitholder and will be taxed at the Unitholder's own applicable tax rates. In the case of a corporate Unitholder, the current income tax rate is 17%.

In general, any non-Designated Income is subject to a final tax at the Fund's level. Any distributions made out of non-Designated Income will not be subject to further Singapore income tax in the hands of such Unitholders.

Distributions paid by the Fund out of non-Designated Income that is exempt from income tax will be exempt in the hands of such Unitholders.

Deeming of undistributed Designated Income as taxable income to certain Unitholders

Under Section 10(20B) of the ITA, any undistributed Designated Income as at the applicable relevant date will be deemed as income taxable on such relevant date in the hands of certain Unitholders under the following scenarios:

- (a) the unit trust is dissolved, and is a DUT for the year of assessment for the basis period in which the dissolution occurred;
- (b) the unit trust is not a DUT within the meaning of Section 35 for any year of assessment;
- (c) the trustee fails to elect under Section 35(12B) for Section 35(12) to apply to its income for any year of assessment;
- (d) the trustee elects under Section 35(12B) for Section 35(12) to apply to its income derived in only a part of the basis period for any year of assessment.

Section 10(20B) of the ITA applies to the following persons:-

- (i) a Unitholder who is not an individual and not a foreign investor;
- (ii) a Unitholder who is an individual and not a foreign investor, and who holds the Units for the purposes of a trade, profession or business;
- (iii) a partner who is not an individual and not a foreign investor, of a partnership which is a Unitholder;
- (iv) a partner who is an individual and not a foreign investor, of a partnership in Singapore which is a Unitholder.

Such Unitholders will be taxed on their proportionate share of the undistributed Designated Income based on the terms of the trust deed or their respective holdings in the Fund as at the aforesaid relevant date.

III. Disposal or Redemption of Units

As the tax treatment depends on your particular situation, you should consult your own tax advisors with regard to the tax consequences arising from distribution made by the Fund and gains arising from disposal or redemption of the Units.

Singapore does not impose tax on capital gains. Any gains on disposal or redemption of Units are not liable to Singapore income tax provided Units are held as investment assets. Where Units are held as trading assets of a trade or business carried on in Singapore, any gains on disposal or redemption of Units are liable to Singapore income tax under Section 10(1)(a) of the ITA. Where Units were purchased with the intention or purpose of making a profit by disposal or redemption and not with the intention to be held for long-term investment purposes, any gains on disposal or redemption of Units could be construed as "gains or profits of an income nature" liable to tax under Section 10(1)(g) of the ITA.

PRODUCT SUITABILITY

<p>WHO IS THE PRODUCT SUITABLE FOR?</p> <p>The Fund is only suitable for investors who:</p> <ul style="list-style-type: none"> • want capital growth and regular income in the form of dividends; • seek an ‘index-based’ approach to investing in a diversified basket of Singapore REITs listed on the SGX-ST in a cost effective and easy to access manner; and • believe that the Index will increase in value. <p>Please note your investment in the Fund is at risk and you may not get back the principal sum invested.</p>	<p><u>Further Information</u></p> <p>Refer to the “Key Information” section on page 9 of the Prospectus for further information on product suitability.</p>

KEY PRODUCT FEATURES

<p>WHAT ARE YOU INVESTING IN?</p> <p>You are investing in an Exchange Traded Fund constituted as a unit trust in Singapore that seeks to replicate as closely as possible, before expenses, the performance of the Index using a direct investment policy of investing in all, or substantially all, of the underlying Index Securities. The Index is compiled and calculated by Morningstar Research Pte. Ltd. (the “Index Provider”) and is designed to screen for high-yielding REITs with superior quality and financial health.</p> <p>The Fund tracks the Index performance using a broad-based quality income strategy with the following proprietary factors: (a) quality, (b) financial health and (c) dividend yield. Index Security weighting is capped at 10% and liquidity based adjustments are made to the weights.</p> <p>We currently intend to declare semi-annual distributions, less the expenses of the Fund, to Unitholders in February and August of each year. We will decide whether a distribution is to be made based on various factors, including dividend and/or interest income and/or capital gains derived from the investments of the Fund. In addition to distributions to Unitholders out of distributable income and/or capital gains, we may make distributions to Unitholders out of the capital of the Deposited Property in accordance with the provisions of the Trust Deed. Distributions (whether out of income and/or capital) may have the effect of lowering the Net Asset Value of the Fund and this will be reflected in the redemption value of the Units. Moreover, distributions out of capital may amount to a reduction of a Unitholder’s original investment. Unitholders redeeming their Units may therefore receive an amount less than their initial investment. Such distributions may also result in reduced future returns to Unitholders. Distributions are not guaranteed and are subject at all times to our discretion.</p> <p>The Fund is classified as an Excluded Investment Product (as defined under Annex 1 of the MAS Notice on the Sale of Investment Products, as may be amended from time to time).</p>	<p>Refer to the “Lion-Phillip S-REIT ETF” section and Appendices I and II on pages 10, 52 and 53 for further information on the features of the product.</p>

¹ The Prospectus is available for collection at Lion Global Investors Limited, 65 Chulia Street, #18-01 OCBC Centre, Singapore 049513 from Monday to Friday (9am to 6pm) or website: www.lionglobalinvestors.com.

² The stock code for the Fund will be available on the SGX-ST website at <http://www.sgx.com> from the date of commencement of trading of the Units on the SGX-ST.

Investment Strategy	
<p>We will employ a “passive management” or indexing investment approach designed to track the performance of the Index. We will seek to achieve the Fund’s investment objective by investing all or substantially all of the Fund’s assets in Index Securities in substantially the same weightings as reflected in the Index.</p> <p>In managing the Fund, we currently adopt a direct Replication Strategy but may also adopt a Representative Sampling Strategy.</p> <p><u>Replication Strategy</u></p> <p>Using a Replication Strategy, the Fund will invest in substantially all the Index Securities in substantially the same weightings (i.e. proportions) as the Index.</p> <p><u>Representative Sampling Strategy</u></p> <p>Using a Representative Sampling Strategy, the Fund will hold a representative sample of a portfolio of Securities selected by us using quantitative analytical models in a technique known as “portfolio sampling”. Where a representative sampling strategy is employed, Securities that are not constituents of the Index may be held by the Fund. Such Securities will be expected to have a high level of correlation or a similar valuation or market capitalisation as the relevant Index Securities.</p> <p>We will seek to construct the portfolio of the Fund so that, in the aggregate, its capitalisation, industry and fundamental investment characteristics perform like those of the Index.</p> <p><u>Index Rebalancing</u></p> <p>You should be aware that the constituent Index Securities and their respective weightings within the Index will be reviewed and rebalanced semi-annually after the close of business on the Rebalancing Reference Dates.</p>	<p>Refer to the “Investment Policy of the Fund” section on pages 10 to 11 of the Prospectus for further information on the investment policy of the Fund.</p>
Parties Involved	
<p>WHO ARE YOU INVESTING WITH?</p> <ul style="list-style-type: none"> • The Manager is Lion Global Investors Limited. • The Sub-Manager is Phillip Capital Management (S) Ltd. • The Trustee is HSBC Institutional Trust Services (Singapore) Limited. • The Custodian is The Hongkong and Shanghai Banking Corporation Limited. • The Fund Administration Agent is HSBC Institutional Trust Services (Singapore) Limited. • The Registrar is HSBC Institutional Trust Services (Singapore) Limited. <p>During the initial offer period, you may only purchase Units through the Participating Dealers in Application Unit size of 50,000 Units or such higher number of Units in multiples of 1,000 Units.</p> <p>After the initial offer period, you may purchase or sell Units either through Participating Dealers or through the SGX-ST. All purchases or sales of Units through the Participating Dealers are subject to such terms and conditions as may be imposed by the relevant Participating Dealer.</p>	<p>Refer to the “Key Information” and “Management and Administration” sections on pages 9 and 17 to 22 of the Prospectus for further information on the role and responsibilities of these entities.</p>
KEY RISKS	
<p>WHAT ARE THE KEY RISKS OF THIS INVESTMENT?</p> <p>The value of the product and its dividends or coupons may rise or fall. These risk factors may cause you to lose some or all of your investment:</p>	<p>Refer to the “Risk Factors” section on pages 12 to 15 of the Prospectus for further information on risks of the product.</p>
Market and Credit Risks	
<ul style="list-style-type: none"> • You are exposed to Market Risk. <ul style="list-style-type: none"> ○ The price of Units and the income from them may go down as well as up. Investment in the Fund involves risks similar to those inherent in investing in REITs traded on an exchange, such as market fluctuations caused by factors like economic and political developments, changes in interest rates and foreign exchange. A significant decline in the value of the Index can therefore be expected to result in a similar decline in the Net Asset Value of the Units. 	

<ul style="list-style-type: none"> • You are exposed to Foreign Exchange Risk. <ul style="list-style-type: none"> ○ As the Singapore REITs invested into may be denominated in currencies other than Singapore dollars, any fluctuation in the exchange rate of such currencies against the base currency of the Fund (i.e. Singapore dollars) may have an impact on the income of the Fund and affect the value of the Units. If we intend to hedge such foreign currency exposure, we will adopt a passive hedging strategy (i.e. hedging of foreign currency exposure will mirror the Index). 	
Liquidity Risks	
<ul style="list-style-type: none"> • The secondary market may be illiquid. <ul style="list-style-type: none"> ○ You can sell your Units on the SGX-ST. However, you may not be able to find a buyer on the SGX-ST when you wish to sell your Units. While the Fund intends to appoint at least one market maker to assist in creating liquidity for investors, liquidity is not guaranteed and trading of Units on the SGX-ST may be suspended in certain situations. ○ If the Units are delisted from the SGX-ST or if the CDP is no longer able to act as the depository for the Units listed on the SGX-ST, the Fund may be terminated and Units will be redeemed in accordance with the termination provisions in the Trust Deed. • Redemption through Participating Dealers. <ul style="list-style-type: none"> ○ You can only redeem Units through Participating Dealers if you are a client of the relevant Participating Dealer, subject to such terms and conditions as may be imposed. A redemption application shall only be made or accepted in respect of Units constituting an Application Unit size of 50,000 Units or such higher number of Units in multiples of 1,000 Units. If you do not hold an Application Unit size, you may only realise the value of your Units by selling your Units on the SGX-ST. 	
Product Specific Risks	
<ul style="list-style-type: none"> • You are exposed to risks of investing in REITs. <ul style="list-style-type: none"> ○ Investments in REITs are subject to risks similar to investing directly in real estate. For example, real estate values may fluctuate as a result of general and local economic conditions, overbuilding and increased competition, increases in property taxes and operating expenses, changes in zoning laws, casualty or condemnation losses, regulatory limitations on rents, etc. ○ REITs may also be subject to financial covenants and/or borrowing/gearing ratios and their ability to comply with such ratios could be adversely affected if the REITs are unable to obtain funds from investors or loans or re-finance existing debt. ○ Some REITs may have limited diversification and may be subject to risks inherent in financing a limited number of properties. • You are exposed to Concentration Risk. <ul style="list-style-type: none"> ○ The Index Securities comprise of Singapore REITs listed on SGX-ST and may be less diversified compared to a fund investing in REITs globally. To the extent that a property sector or a geographical region in which the Index Securities are concentrated in falls out of favour, the Fund's performance may be negatively affected. • You are exposed to Tracking Error Risk. <ul style="list-style-type: none"> ○ Factors such as the fees and expenses of the Fund, imperfect correlation between the Fund's assets and the Index Securities constituting the Index, rounding of REIT prices, changes to the Index and regulatory policies may affect our ability to achieve close correlation with the performance of the Index. The Fund's returns may therefore deviate from the Index and there is no assurance that the Fund will be able to fully track the performance of the Index. • The Fund is not actively managed. <ul style="list-style-type: none"> ○ The Fund invests in the Index Securities included in the Index and is not actively managed. We do not attempt to select REITs or stocks individually in order to outperform the market or to take defensive positions in declining markets.
