

DISCLAIMER

The content in this Stock Analytics Service as provided by Phillip Securities Pte Ltd (PSPL), including the information provided herein from PSPL's suppliers including its related entities and the third party service providers namely Thomson Reuters, Dow Jones or its licensors, Recognia Inc, is provided to you for general information only and does not constitute a recommendation, an offer or solicitation to subscribe for, buy or sell the investment products mentioned herein. It does not have any regard to your specific investment objectives, financial situation and any of your particular needs. Accordingly, no warranty whatsoever is given and no liability whatsoever is accepted for any loss arising whether directly or indirectly as a result of you acting based on this information. Investments are subject to investment risks including the possible loss of the principal amount invested. The value of the units in any fund and the income from them may fall as well as rise.

You may wish to obtain advice from a qualified financial adviser (including tax advisor where deemed necessary by you), pursuant to a separate engagement, before making a commitment to purchase any of the investment products mentioned herein. In the event that you choose not to obtain advice from a qualified financial adviser, you should assess and consider whether the investment product is suitable for you before proceeding to invest and we do not offer any advice in this regard unless mandated to do so by way of a separate engagement. You acknowledge that past performance, projection or forecast are not necessarily a guide to future performance.

PSPL and its suppliers shall have no responsibility or liability for any injury or damage whether caused by the negligence of PSPL, its employees, sub-contractors, agents, equipment, vendors or otherwise, arising in connection with the Stock Analytics service, the use or transmission of data pursuant to these terms and shall not be liable for any loss, profits, losses, punitive, incidental or consequential damages or any claim against the user by any other party. Although the information and data contained in Stock Analytics are derived from sources deemed reliable, PSPL and its suppliers do not guarantee the correctness or completeness or timeliness of any data or information furnished in Stock Analytics and makes no warranties with respect to results to be obtained from its use. The content provided in Stock Analytics is subject to change without notice. Access to this service may be affected by market conditions, system performance and other reasons.

Any copying, republication or retribution of the content in Stock Analytics Service, including by caching, framing or similar means, is expressly prohibited without the prior written consent of PSPL and/or its suppliers. In using the Stock Analytics service, you agree not to store, copy, reproduce, modify, distribute, transmit, display, perform, publish, transfer, create derivative works from, broadcast or circulate any content herein to anyone, without express prior written consent from PSPL and/or its suppliers. You may not post any content herein to forums, newsgroups, mail lists, electronic bulletin boards, or other services, without PSPL and/or its suppliers' prior written consent.
